L'Agenda

The Year Book of
Bucknell University
Compiled by
the Junior Class
Volume 38

Foreword

There is no title which might better suggest the contents of our annual than the word *L'Agenda*,

which means the record of things done. To portray as faithfully as possible these "doings" of Bucknell, of the undergraduates, and of the faculty, for the year 1927-1928, is the aim and purpose of this thirty-eighth volume
of *L'Agenda*.

Dedication

To

Charles Parker Vaughan

Whose generosity, dependability, and executive efficiency have been a profoundly important force behind current efforts directed toward Bucknell progress and expansion, this thirty-eighth volume of L'Agenda is dedicated.

CHARLES PARKER VAUGHAN, Sc.D.

Charles Parker Vaughan

CHARLES PARKER VAUGHAN was born in Portland, Maine, February 17th, 1867.

He received his education in the public schools of Peabody and later at Phillips Academy, Andover, where he remained until 1887, when he came out to assist in a business his father had begun through his invention of a machine for leather working. After his father's death, in 1892, he and his two brothers continued and developed the business into the largest leather working machinery industry extant.

In 1898 Mr. Vaughan married Fannie Winthrop Thomas, of Peabody, and with his bride sailed for Frankfurt, Germany, to exploit the machinery business in Europe. There, through the United States Consul General at Frankfurt, he was appointed Deputy Consul General by the Honorable David Jayne Hill, then Assistant Secretary of State.

After getting the European business well established, he returned to America in the fall of 1900. The next year he and his brother, Ira, sold their interest in the Vaughan Machine Company, only to buy, in 1902, a half interest in the leather concern, Duncan, Hood & Co., Inc., of Philadelphia.

A year later, being invited to the staff of Colonel Fitz, Mr. Vaughan began a term of service with the Massachusetts Volunteer Militia, from which he retired, in 1913, with the rank of captain and paymaster.

Soon after he and his family took residence in Philadelphia, he again went to Frankfurt, Germany, in the interests of the leather business, and remained there with his family until the fall of 1913.

During the World War, Mr. Vaughan was active in the many war loan campaigns, serving as chairman of group 19, which raised 317% of its quota in the Victory Loan campaign.

After the war he served as director of the Philadelphia Chamber of Commerce for many years, being elected president three consecutive years (the limit under their by-laws), in 1923-1924-1925; and is at present a vice-president and chairman of the legislative committee. Mr. Vaughan is, in addition, active as vice-president of the Manufacturers' Club, Philadelphia, and vice-president of the Union League, Philadelphia.

The following tribute is from President Emory W. Hunt: "Charles P. Vaughan has been a member of the Bucknell Board of Trustees since 1920. Without previous relation to the institution as student or otherwise, he has manifested an interest not surpassed by any of its alumni or older friends. His gifts, first to the Stadium fund and later to the Endowment, were made, not when these campaigns were assured of success, but at their very beginning, and gave to them an impulse which had a very important bearing upon the result. No man since the days of William Bucknell has made as large gifts of cash to the College as has Mr. Vaughan, unless the General Education Board be counted as an individual. In permanent recognition of his generous interest, the Board designated the professor of Economics the Charles P. Vaughan Professor."

"And Mr. Vaughan has given not only money but time, thought, and wise counsel. As chairman of the Stadium Commission he enabled us to bring that enterprise to a successful completion. His artistic taste is represented in important features of the new dormitory for women and also in the Mathewson Memorial Gateway."

ADMINISTRATION

L'Agenda furnishes a moving picture of student life at Bucknell. Together with the catalog, which gives an account of the academic work, it affords a comprehensive description of the activities of the college.

L'Agenda tells the story from the point of view of the student, and the catalog from that of the faculty. Both are needed for the complete picture.

To determine the proper proportion of attention and energy which should be assigned to each line of activity is one of the most important problems of student life. Not merely individual interest but individual capacity should be considered. "A balanced ration" is as important here as in dietetics. The objective should be a symmetrical development, mental, physical, social, and spiritual.

A handwritten signature in cursive script, appearing to read "Emory W. Hunt". The signature is written over two lines, with "Emory" on the first line and "W. Hunt" on the second line, separated by a small gap.

*Elected on nomination by the alumni. †Deceased.

TO acknowledge in slight degree the affection the students and alumni hold for them, this page of 1929 *L'Agenda* is appreciatively dedicated to Doctor William Cyrus Bartol and Doctor Thomas Franklin Hamblin, who have been retired as Professors Emeritus in recognition of their long, faithful service to the University. Each has given us a word of greeting for the student body. These greetings follow:

These college days appear to me brim full of bustle and song and cheer. I have tried to gather in my full share of each of them. My friends, you do the same.

If you ask me to say in a word my supreme conviction as to what has been really helpful to me in my short pilgrimage, I would answer: *friends*.

If you would trust those about you, make friends. If you would enjoy life and have those near you enjoy it, make friends. If you would climb a little higher in the estimation of worthy people, make friends. If you would advance yourself in a business or a social or a political way, make friends. And these college days are the golden days. Keep yourself busy, making friends.

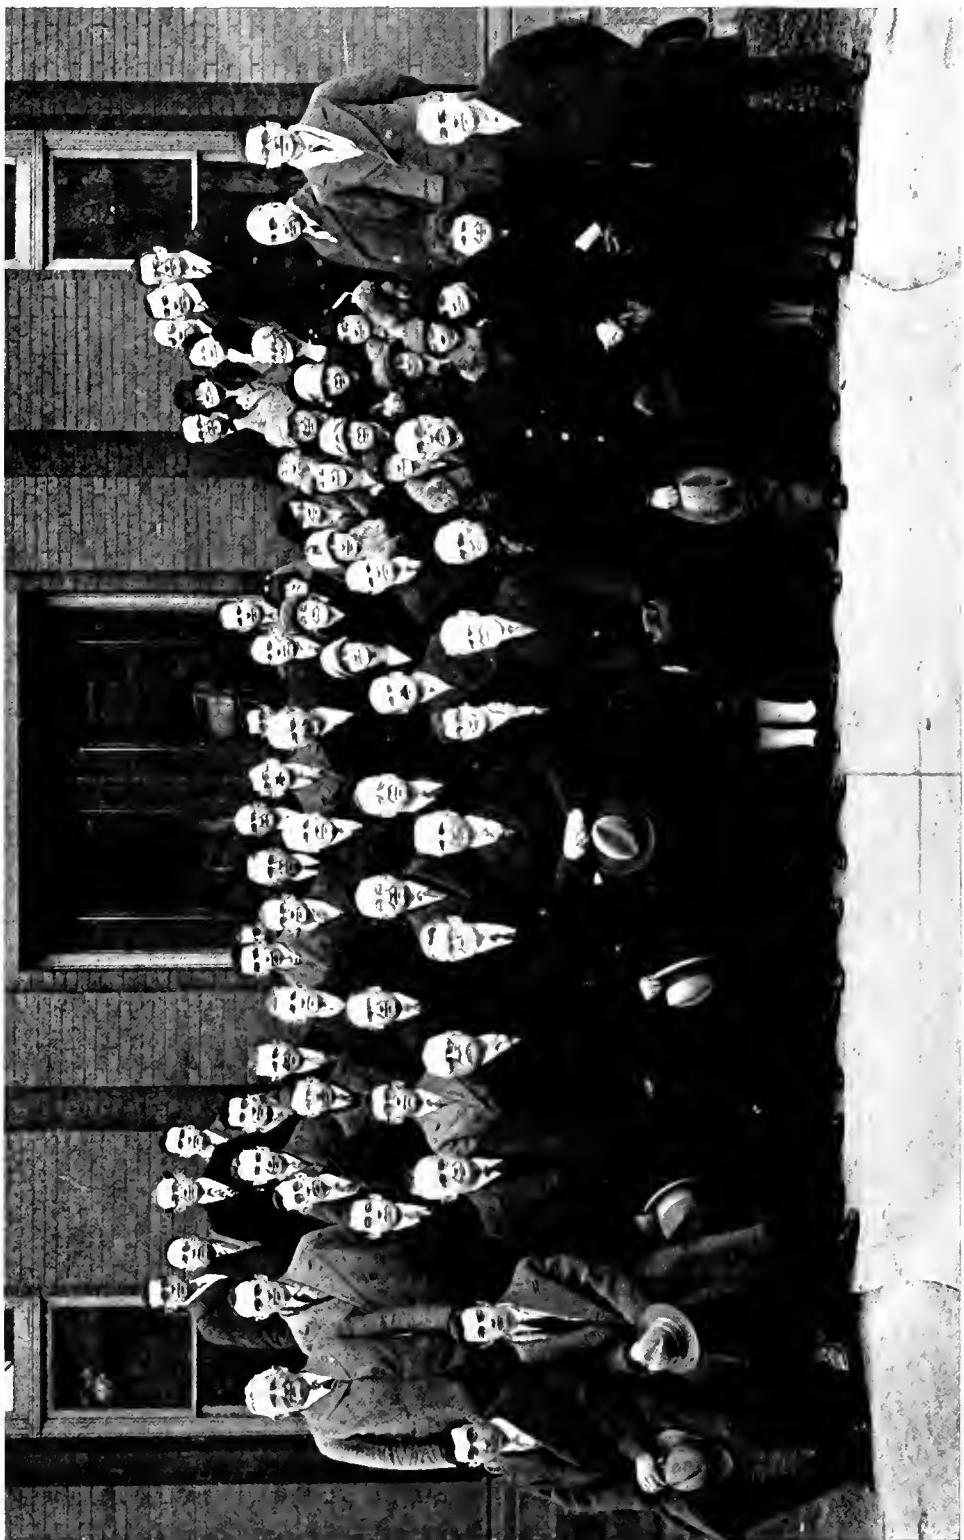

WILLIAM C. BARTOL, '72.

The present is filled with pleasant memories of the past, as well remembered names and faces arise out of that past. For a teacher lives his life over again in the lives of his pupils, and he rejoices in their successes as if they were his own.

For those whose lives lie in the future, let me suggest that success lies not so much in attaining a certain position or a certain amount of wealth, as in finding a work that gives pleasure and satisfaction in the doing. If I were living my life over again I should adopt these principles: Always earn more than you receive. Don't bluff, unless you have the real stuff to back the bluff. When facing trying situations and discouragements, don't get rattled. Remember Homer's description of Odysseus in a most trying crisis. He addressed himself thus: "Bear up, oh! heart, thou hast endured worse things than this ere now."

Seventy-seventh Annual Commencement

PRESIDENT LINCOLN HULLEY, of the John B. Stetson University, and a graduate of Bucknell of the Class of '88, delivered the Commencement address to the seventy-seventh graduating class of Bucknell University, on the morning of June 8, 1927. Following the precedent set last year, the exercises were held in the Quadrangle.

President Emory W. Hunt, Dean Romeyn H. Rivenburg, Dean Amelia E. Clark, and the honored guests and their introducers occupied the platform in front of the Carnegie Library. The faculty were seated on the east side of the library walk, and the students on the west side. The guests occupied the front row on the side of the platform to the right of the president. The trustees and the clergy were immediately behind them.

President Hulley's address on "Three Factors in the Making of a Life," was followed by the conferring of degrees in course. Honorary degrees were then awarded as follows: Doctor Mary Belle Harris, '94, Doctor of Laws; President Ralph D. Hetzel, of Pennsylvania State College, Doctor of Laws; The Honorable Thomas J. Baldridge, ex-'95, Doctor of Civil Law; The Honorable Albert W. Johnson, '96, Doctor of Civil Law.

Senior Class History

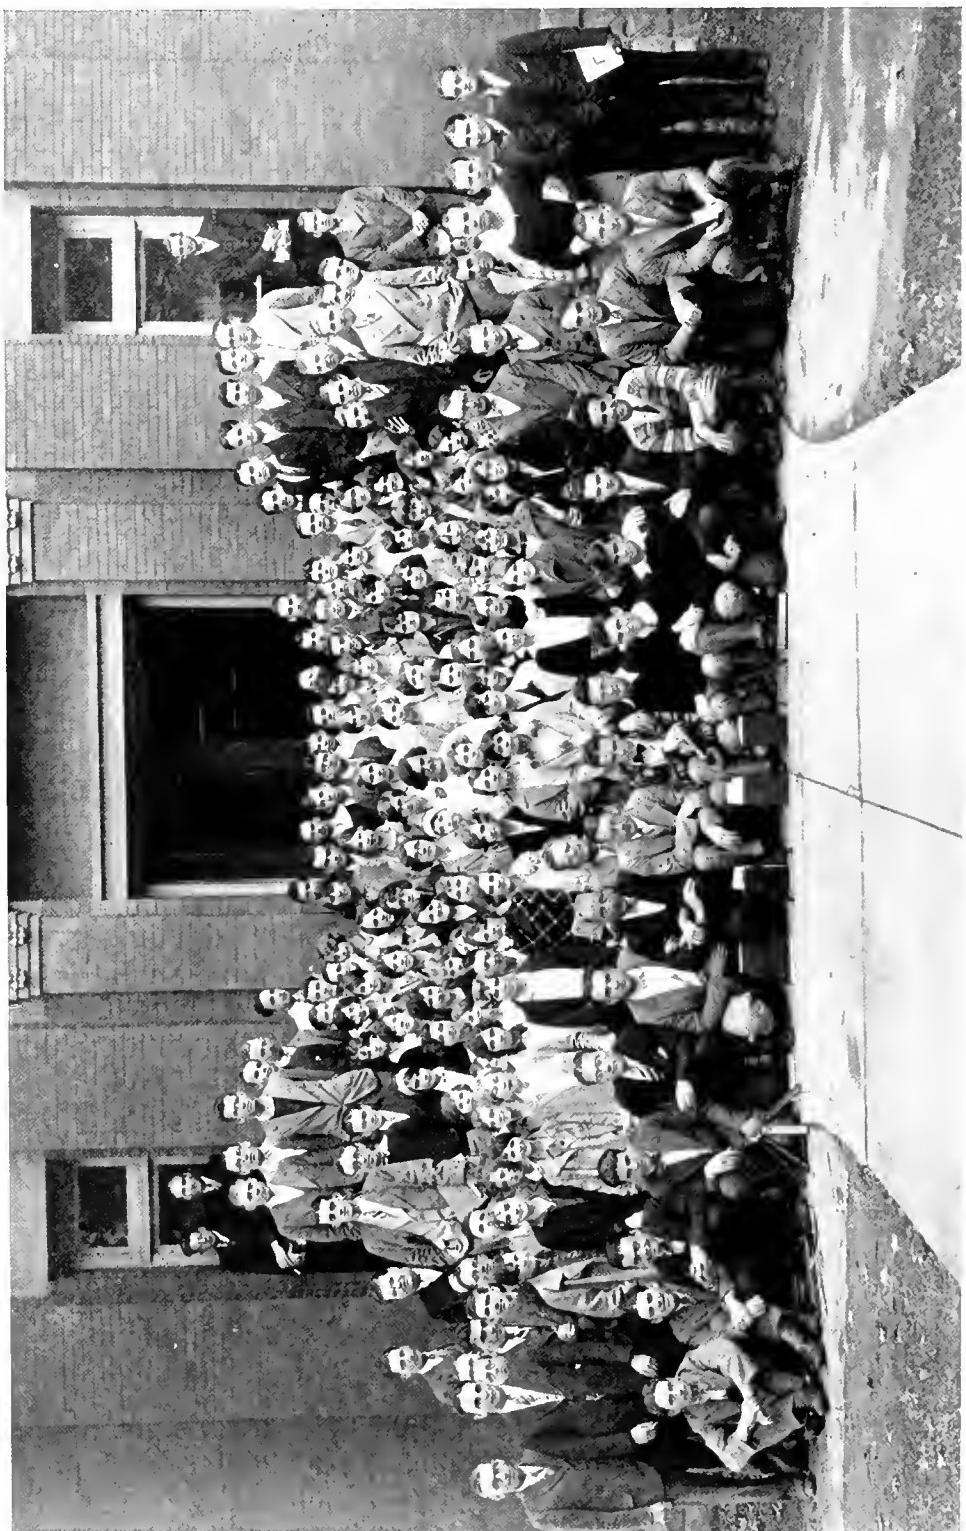

THE Seniors, now about to leave the ancient walls of the University, will go forth wiser, and better men and women than they were when they entered as green and untried freshmen.

In their first year they began to prove their mettle by a triumph in the Frosh-Sophomore class scrap.

The sophomore year showed the class aroused to the opportunities of the golden days of study and good fun. Scholastically, athletically, and socially, the class began to take its rightful place in this little college world.

As Juniors, 1928 began to realize that one-half of its college life was over, and that it was starting on the last lap of its happiest period. With this appreciation, and a new sense of duty and courage, it completed its third year, which was marked with success at every point.

The Seniors cannot leave the world of Bucknell for the bigger world and its problems without regret. They have spent many happy days here, and they can never forget that. They have learned to work and to dream, and their work and dreams are better for having had the associations that Bucknell has provided. College days will be even more pleasant in retrospect for they will have lost the tang of little disappointments, and will take on the glow of all the happy, useful forms the Seniors have known.

We Dedicate This
Junior Section
to

WILLIAM LLOYD HAWKINS

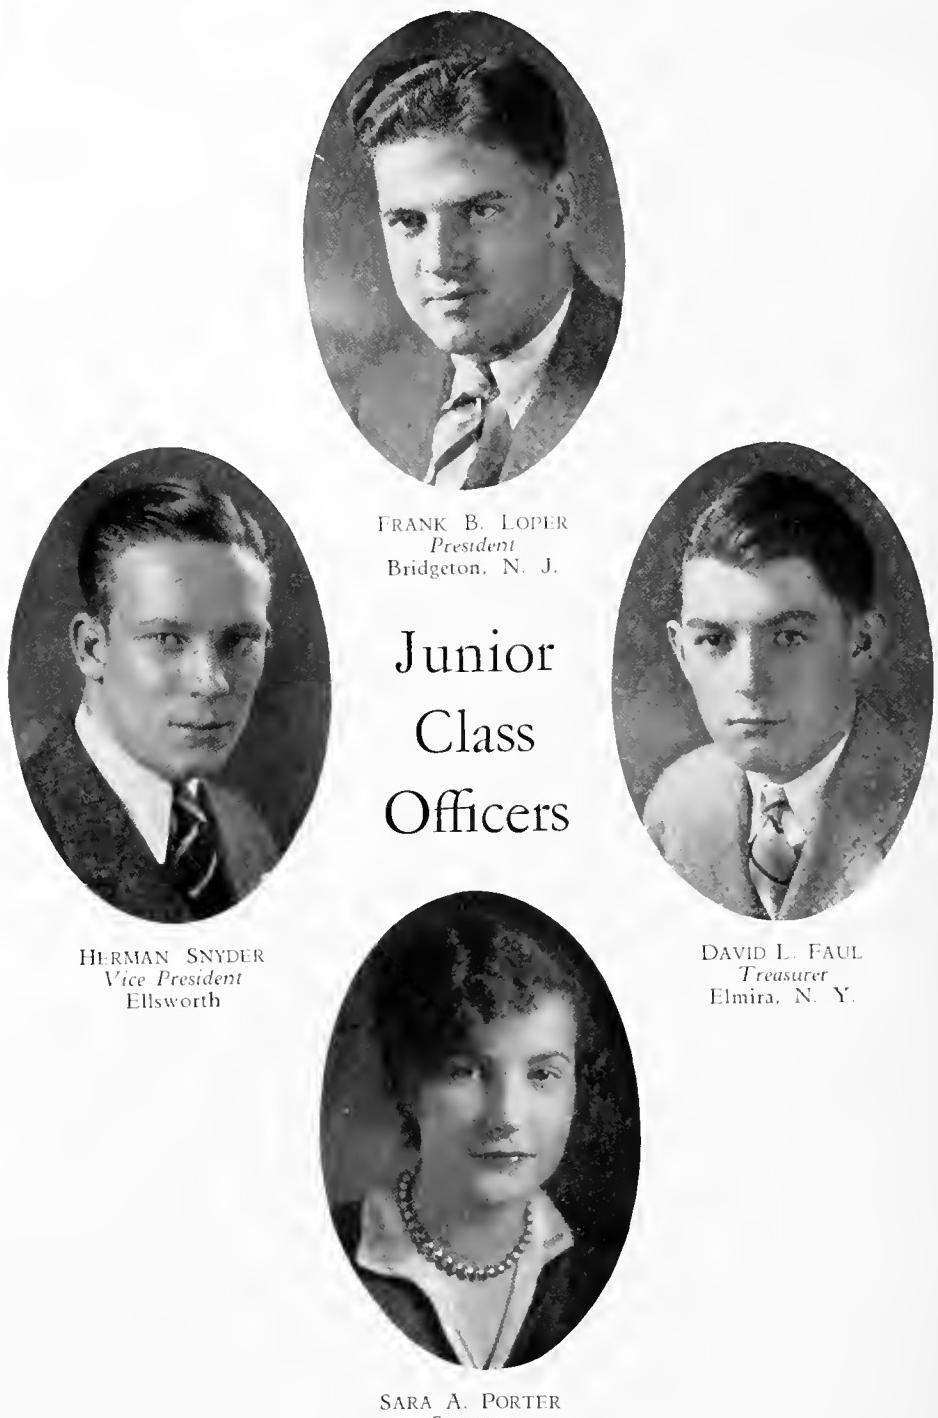

BUCKNELLIANS who have come into contact with William Lloyd Hawkins have come to love him for his amiable personality, and to respect his keen scholastic ability which has been so far above the average as to merit recognition by the honorary societies of Pi Mu Epsilon and of Sigma Beta Chi. It seems difficult to understand the Divine Providence that has removed one of our number at the very threshold of a life which held such promise of successful service. However, we must faithfully trust in God's infinite wisdom and cheerfully submit to His will.

To show our respect to the memory of him whose three years as our classmate has so deeply graven in many of our hearts the symbols of his friendship, the class of nineteen twenty-nine dedicates this Junior Section to William Lloyd Hawkins that it may be a perpetual memorial to him who worked so faithfully in the creation of L'AGENDA.

Junior Class History

AS we, of the Class of '29, pause to look back over our three years at Bucknell, we may well be proud of our contributions to our Alma Mater and to our class.

It is a significant fact that the Class of '29 was only once defeated in a class scrap; never was it humbled in a class athletic contest.

Our freshman football and basketball teams were admittedly the best first year teams Bucknell has produced. The same athletes who made that record possible have contributed materially to the varsity athletic success which Bucknell has enjoyed for the last two years, and they give promise of being the foundation for greater athletic achievement next season.

But athletics have not been our only talent; every possible field of activity on the campus has been invaded by twenty-niners, and they have always won more than their share of distinction there.

To the end that these accomplishments may be both pleasant and comforting in retrospect, we feel the more eager to make our final year at Bucknell one of its most successful.

ALBERT JUDSON ABBOTT, ΑΧΑ, ΗΔΕ

"Al" "Abbie"

Nanticoke High School

Nanticoke, Pa.

Lambda Chi Alpha; Pre-Medical Course; Pi Delta Epsilon; Belle Hop Staff (1, 2, 3); Biological Society, Vice-President (3); Junior Prom Committee; L'Agenda Staff (3).

Good "Old Abbie"—and that's saying a lot, for it is the phrase that has grown to mean much when used in connection with Bucknell. A careful and thorough student who is, without obvious effort or display, quietly exercising immeasurable influence. Surgery, as a profession, will be fortunate in securing the services of Doctor Abbott.

HARRY B. ALLSWORTH JR., ΣΧ, Druids

"Fonty"

Greensburg High School

Greensburg, Pa.

Sigma Chi; A. B. Course; Druids; Inter-Class Council (3); Assistant Manager Basketball (2, 3).

Everybody knows "Fonty" with his easy-going ways and his disregard for custom. A typical "butter and egg man from Baltimore," or a political boss of the future, "Little Lord Fauntleroy" will easily hold his own against the biggest of modern business magnates.

LYLE ERLING ANDERSON, ΣΑΕ

"Andy"

Johnsonburg High School

Johnsonburg, Pa.

Sigma Alpha Epsilon; A. B. Course; Class Vice-President (1); Sociological Society (1); L'Agenda Staff (3).

A keen intelligence is hidden beneath an exterior of calm in this reserved gentleman, with whom a closer intimacy will reveal sagacity garnered from much experience—and the "Saturday Evening Post."

CLYDE PARKS BAILEY, ΦΛΘ

"Cy"

Brookville High School

Brockway, Pa.

Phi Lambda Theta; A. B. Course; Kent Pre-Legal Club.

"Cy" steps high, wide, and handsome, among the "Semites," but, despite this fact, he is an ambitious and capable student and bids fair to be a success in anything which he may undertake.

ELOISE BAILEY, AXΩ
"Eloise"
Williamsport High School Williamsport, Pa.

Alpha Chi Omega; A. B. Course; Class Hockey (2, 3); Bucknellian Staff (2); Girls' Glee Club (3); Education Club (2, 3); Freshman Y. W. C. A. Commission; Junior Prom Committee; Contributor to the Bucknell Book of Verse (1, 2).

Curly black hair, sparkling brown eyes, and much temperament! She's an artist in more than one way. Her note books are full of tiny drawings; her voice swells the Glee Club; and the Bucknell Book of Verse holds much of her work each year. Surely we'd guess she owns a lucky star.

GEORGE NEWTON BALLENTINE, ΦΙΔ
"Bally"

Phi Gamma Delta; Pre-Medical Course; Biological Society (3); Tennis (1, 2, 3).

Bearing a name already famous in Bucknell scholastic and athletic circles, "Bally" has added to the family name to such an extent that his future success is unquestioned.

PETER MATHEW BARZILASKI
"Pete"

Electrical Engineering Course: Big Four; American Institute of Electrical Engineering.

Some guys seem to have all the luck (or ability) to pull high grades. If we could collect the string of "A's" that "Pete" does, we could spend the rest of our days in heavenly bliss. If he is able to pile up money as he does "A's", Bucknell will probably have its endowment fund enriched within a few years.

CARLTON BAUM, KΣ
"Baum"

Kappa Sigma: A. B. Course.

"Baum" is musically inclined, and his ambition is to conduct an orchestra that will make Paul Whiteman sit up and take notice.

ADAM DANIEL BAVOLACK

"Bav"

Hoyleton High School
Dickinson College

McAdoo, Pa.

A. B. Course; Band (2, 3); Symphony Orchestra (2, 3); Glee Club (2, 3).

"Cheerful at morn he wakes from short repose,
Breathes the keen air and carols as he goes."
Such is "Bav," our all-around musician.

GEORGE RICHARD BEDDOW, KΣ

"Spike"

Minersville High School

Minersville, Pa.

Kappa Sigma; Pre-Medical Course; Biological Society; Assistant Track Manager.

"Spike" is small, but mighty. He speaks for himself, and has a host of friends.

GEORGE NORMAN BENEDICT, ΣX, Friars

"Benny" "Norm"

Brockport High School

Brockport, N. Y.

Sigma Chi; A. B. Course; Friars, Kent Pre-Legal Club; Assistant Manager Varsity Football (2, 3).

One feels that this Viking-like being with his penetrating blue eyes could be surprisingly cruel, but who has ever seen him this way? Within this stature is a tender heart and a helpful spirit. "Norm's" engaging personality has earned for him a host of friends on the campus.

MARIO GAETANO BIANCHI, KΣ, HΔE

"Big Chief"

Saxton's River High School

Barre, Vt.

Kappa Sigma; A. B. Course; Pi Delta Epsilon; Ministerial Association; Y. M. C. A. Cabinet; Bucknellian Staff (1, 2).

"Big Chief" sails up and down the Hudson River during the summer, making life miserable for the hired help from Harlem. Bianchi has a promising future before him and we wish him the best of luck.

KENNETH ALDEN BIDLACK

"Ken"

Watsonstown High School

Freeland, Pa.

Juniata College

A. B. Course.

"Ken" left Bucknell to attend Juniata, but soon decided that his former Alma Mater was the best. Now, like the Prodigal Son, he has returned. He hopes to enter the law profession and show Mr. Darrow how to be a bigger and better lawyer.

WILLIAM JOSEPH BOSCHE JR.

"Bill" "Bosh"

St. Clair High School

St. Clair, Pa.

Electrical Engineering Course: Big Four; American Institute of Electrical Engineers.

If "Bosh" should say one word less he wouldn't say anything; if he said one word more he would be too talkative. If he smiled less he would be insipid, and if he smiled more he would be inane. But as it is, he is an all-around good fellow with a good sense of proportion.

KATHARINE HARRIET BOYER, ΦΜ, ΜΦΕ
"Kitty"

Reading High School for Girls
Syracuse University

Reading, Pa.

Phi Mu; A. B. Course; Mu Phi Epsilon; Girls' Glee Club (2, 3); Special Chorus (2, 3).

"Kitty" came to us in her Sophomore year from Syracuse. She arrived a little late, and has been a little breathless ever since. It didn't take us long to discover that "Kitty" is a veritable canary. Her ready smile endears her to everyone.

NAOMI EVANGELINE BRACE, ZIFT
"Suds"

Trevorton High School

Trevorton, Pa.

Zeta Gamma Tau; A. B. Course; Women's Student Government (2, 3); Education Club (2); Class Basketball (2); Class Hockey (3); Spanish Club (2, 3); Pan-Hellenic Board; Junior Prom Committee; Girls' Class Treasurer (3).

"Suds" is an all-around, Bucknell Co-ed, capable and studious when necessity demands it, but always ready for a good time. It's been whispered that there is at home a strong attraction, which results in a trip there every weekend.

JOHN ELSWORTH BRIDEGUM, ΘΤΩ

"Johnny"

Mt. Holly High School

Hainesport, N. J.

Theta Upsilon Omega: Electrical Engineering Course; American Institute of Electrical Engineers, Vice-President (3); Class Football (1); Big Four (1, 2, 3); Assistant in Physics (3).

An unique combination of interest in engineering, fluency in French, and modesty! Yes, girls, strange to say, as far as we can determine he is independent.

DONALD LAMBERT BRUBAKER, ΘΤΩ

"Don"

Juniata High School

Juniata, Pa.

Theta Upsilon Omega; A. B. Course; Track (1).

Do you know the somewhat retiring boy with an individual chuckle which turns nearly every situation into something funny? Well, that's "Don." In spite of the fact that he recently passed the cigars, he has time for a considerable amount of "grinding."

CLARENCE HAROLD BUNTING, ΦΚΨ

"Tripe" "Sex"

Roebling High School

Trenton, N. J.

Phi Kappa Psi; A. B. Course; Biological Society (3); Junior Prom Committee.

Clarence is an able lad, despite the fact that he is continually searching the pages of "Field and Stream" to discover what is in season. When he is not emulating one of our illustrious professors in pursuing a giant trout, he is on his back emulating one of the "Seven Sleepers." A present dreamer, but a future doer,—we feel that.

BYRON J. BURDIC, KΔΡ, Friars

"Red"

Westfield High School

Westfield, Pa.

Kappa Delta Rho; A. B. Course; Friars.

Burdic is one of those happy-go-lucky fellows with a smile for everybody. His ever-ready wit has made him one of the most popular men on the campus.

JOHN EUGENE CLARKE, ΣΑΕ

"Jiggs"

Ashland High School

Ashland, Pa.

Sigma Alpha Epsilon; A. B. Course; Biological Society (1, 2); College Band (1, 2); Sociological Society (3).

When you have an attack of melancholia and feel in need of a tonic, come around to Dr. Clarke. A half-hour spent in the company of this genial personage is guaranteed to "blow the blues away."

WILLIAM C. COFFMAN

"Bill"

Bloomsburg High School

Bloomsburg, Pa.

Bloomsburg State Normal School

B. S. in Education; Biological Society (3).

A certain sage has said that the measure of a man is his ability to gain the trust and friendship of dumb animals. Behold the man! "Bill" has a pair of nuthatches call at his window every day; he is kept "broke" by buying peanuts for the squirrels; besides, he is the wise counselor of Freshmen.

ROWLAND HENRY COLEMAN, ΣΑΕ, TKA

"Coley"

Greenville High School

Lewisburg, Pa.

Lewisburg High School

Sigma Alpha Epsilon; A. B. Course; Tau Kappa Alpha; Cap and Dagger (1, 2, 3); Varsity Debating Team (1, 2, 3); Class President (1); Sophomore Prize in Public Speaking (2); Class Football (1); Sociological Society (1, 2); Inter-Class Council (1).

A glance at the above activities will show that "Coley" is "versatility plus." Despite the fact that he has been so very active on the campus, he still has time to be a good fellow.

SARAH JANE COLLNER, L.L.C.

"Sally Jane" "Sally"

St. Petersburg High School

St. Petersburg, Pa.

Emlenton High School

Lanterna Laetitiae Club; A. B. Course; Student Government Board (3); Sophomore Cotillion Committee; Education Club (3); L'Agenda Staff.

To glance at this mischievously smiling young lady, one would never suspect that three short years ago she was chosen as 1929's model Freshman. All traces of undue self-effacement have now vanished, giving to us in its stead a jolly, sincere, and worth-while pal.

WILLIAM JOSEPH CONVERY, ΣX. Druids

"Mutt"

Perth Amboy High School

Perth Amboy, N. J.

Sigma Chi; A. B. Course; Druids; Freshman Hop Committee; Sophomore Cotillion Committee; Freshman Baseball (1); Class Football (1, 2); Varsity Baseball (2); Inter-Class Council (2).

"Mutt" is Bucknell's original "wise-cracker." His keen sense of wit and humor is baffling to the wisest, because for every jest "Mutt" is able to give one better. But "Mutt" does not waste all his time in "wise-cracking." He is a baseball player of some ability, a fact which his record can attest.

JOHN BELMONT COOK JR., KΣ

"Cook"

Vermont Academy

Saxton's River, Vt.

Kappa Sigma; Chemical Engineering Course; Big Four; College Band.

"Cook" is the boy from the Green Mountains of Vermont, who takes great delight in telling the experiences he has had while visiting President Coolidge at his summer home in Vermont.

JESSAMINE COULSTON, L.L.C.

"Jay"

Central High School

Washington, D. C.

Lanterra Laetitiae Club; A. B. Course; Education Club (2, 3); German Club (3).

A friend in every sense of the word, true, dependable, and inimitably sympathetic,—this is one of the least flattering descriptions of "Jay." Although '29 is proud to own so brilliant a student, it nevertheless regrets that her scholarliness enables her to cut short her college career.

CLARENCE WILLIAM CRANFORD, AXM

"Cranny"

Sharpsville High School

Sharpsville, Pa.

Alpha Chi Mu; A. B. Course; Ministerial Association (1, 2, 3), Secretary-Treasurer (1, 2), Vice-President (3); Y. M. C. A. Cabinet (1, 2); Editor of Freshman Handbook (3); Assistant Business Manager Freshman Handbook (2); Student Council of Religious Activities Cabinet (2), President (3); Bucknellian Staff (1, 2, 3), Managing Editor (3).

"Cranny" has proved himself a capable leader, a steady worker, and a most likable fellow. His ready wit is the enjoyment of all who know him. Can he preach—and how? He is also a clever musician, and tickles the ivories with the best of them.

MABEL MARTHA DEAN

'Sally'

Butler High School
Slippery Rock Teachers' College
Pennsylvania State College

Butler, Pa.

B. S. in Education.

Having tried a few other institutions of learning, Mabel decided to come to a good school for her diploma. In this brief year that she has been with us we have learned to admire her. The Class of '29 is very glad to give her a place in its midst.

MYRTLE HARRIET DE COURSEY

Myrtle

Jersey Shore High School

Jersey Shore, Pa.

A. B. Course: Sociological Society (2, 3); Education Club (3); German Club (2, 3).

Myrtle has literally danced her way through college to a very lively tune. Friends in abundance, personality plus, and a proficiency in German,—all blend in making of her a real Co-ed.

DONALD WILLIAM DIEHL

"Don" "Captain"

Danville High School

Danville, Pa.

Chemical Engineering Course; Chemical Engineering Society; Big Four; Junior Prom Committee.

"Don" speaks only at rare intervals, but when he does, his words are so pregnant with meaning that he more than makes up for his prolonged periods of silence. As a conversationalist the "Captain" is a good engineer.

LEWIS WESTON DORSETT JR., AXA, Friars

"Red"

Waverly High School
Bellefonte Academy

Sayre, Pa.

Lambda Chi Alpha; A. B. Course; Friars; Class Treasurer (2).

"Red" is just a darn good sport. His conversations are snappy, his interpretations of a certain kind of literature are, under certain conditions, vivid. Bucknell can look forward to this flaming youth's success in the big business world, a prophecy already half-realized in his favorite pastime, golf.

MARY GERTRUDE DUNKLE

Mary

Lewisburg High School

Lewisburg, Pa.

A. B. Course; Girls' Glee Club (1, 2); Special Chorus (1, 2); Education Club; Kent Pre-Legal Club.

*Mary Gertrude, quite contrary,
What in your garden grows?
Independence, fun aplenty,
And Law books all in a row!"*

Sparkling brown eyes, a sense of humor, keen intelligence, and a gay, happy friendliness—these are just a few of the gifts which the prodigal fairies gave to Mary Gertrude.

ANNA ELIAS, KΔ

Anne

New Brunswick High School New Brunswick, N. J.

Kappa Delta; A. B. Course; Sociological Society (2); Education Club (3).

Anne is quite different.—she is one of a rare species. She has been spending three years living up to her sister's reputation, and incidentally, Anna has been making a fine one of her own.

ARTHUR SIDNEY ESCHENLAUER

"Esch"

Union Hill High School

Woodcliff, N. J.

A. B. Course.

Many Bucknellians can truly say, "All that I am I owe to Eschenlauer." During his freshman year "Esch" opened an information bureau to wise up the boys—therefore, the above epitome. What "Esch" doesn't know isn't worth knowing; if you don't believe us, ask him.

BLYTHE HURST EVANS, KΔP, Friars

"B. H."

Plymouth High School

Plymouth, Pa.

Kappa Delta Rho; A. B. Course; Friars; Biological Society; L'Agenda Staff; Bucknellian Staff (2); Education Club (3); Y. M. C. A. Conference at Eagles Mere (1).

"B. H." is one of those all-around good fellows, and a loyal Bucknellian. He is "pep" personified, a quality which together with his natural abilities have made him the "go-getter" of the campus.

EDYTHE ROGERS EVANS, AXΩ

Edythe

Tamaqua High School

Tamaqua, Pa.

Alpha Chi Omega; A. B. Course; Girls' Glee Club (1, 2, 3); Special Chorus (1, 2, 3); Symphony Orchestra (1, 2, 3); Girls' Debating Team (2, 3); Sophomore Class Secretary; Education Club (3).

Edythe's versatility ranges from the musical to the literary, and admits numerous talents en route. But incidentally, we would whisper that she has an unusual capacity for writing lengthy epistles, westward bound, and for inspecting her own mail box at frequent intervals.

THOMAS RUSSELL EVANS, KΔP

"Russ" "Rusty"

Central High School

Scranton, Pa.

Kappa Delta Rho; Pre-Medical Course; Biological Society (1, 2, 3); University Choir (1, 2).

"Russ" is a member of the most modern school of science, efficient and capable. As a good fellow with a congenial nature he can't be beaten.

JOHN GOODNOW FARROW, AXM
"Johnnie"

Haddonfield High School

Haddonfield, N. J.

Alpha Chi Mu; A. B. Course; Varsity Track (1, 2, 3); Class Track (1, 2, 3); Sophomore Cotillion Committee; Junior Prom Committee; Inter-Class Council (3); Sociological Society (2, 3); Secretary-Treasurer (3); Delegate to Y. M. C. A. Conference at Eagles Mere (1); Biological Society (3); L'Agenda Staff.

"Johnnie" has got the stuff that makes for leadership. His sterling qualities of character, coupled with his pleasing and interesting personality make it a pleasure and a joy to know him.

DAVID LEO FAUL, KF
"Dave"

Elmira Free Academy

Elmira, N. Y.

Kappa Gamma; Chemical Engineering Course; Chemical Engineering Society (1, 2, 3); Inter-Class Football (1); Class Vice-President (2); Class Treasurer (3).

In "Dave" we find a true model of manly beauty. "Dave" is well versed in chemistry and in military science, which latter training besides making him an able commander in the field, has as well fitted him to be a worthy and efficient class officer.

HARRIET DOROTHY FERGUSON, II ME
"Peg"

Altoona High School

Altoona, Pa.

Pi Mu Epsilon; A. B. Course; Girls' Glee Club (1, 2, 3); Special Chorus (2, 3); Class Hockey Team (1, 2); Sociological Society (1); Education Club (2); Athletic Council (3).

"Peg" is engaged in research work (or what have you) at the following colleges: Penn State, Gettysburg, Juniata, Holy Cross, and the University of Florida. Her brilliance and charming disposition are inherent since she has never read for fifteen minutes a day, the famous fifteen-foot bookshelf.

GEORGE ARTHUR FERRELL JR., ΣΑΕ, ΦΜΑ
"George"

Picture Rocks High School
Juniata College

Picture Rocks, Pa.

Sigma Alpha Epsilon; A. B. Course; Phi Mu Alpha—Sinfonia; Glee Club (2, 3); Junior Prom Committee.

If it is true that "Music hath power to soothe the savage beast," George would be as safe in a den full of lions as was Daniel, providing there be a piano within easy reach.

HENRY MOSSER FESSLER, ΔΣ, ΦΜΑ
"Henny" "Max"

Williamsport High School

Williamsport, Pa.

Delta Sigma; A. B. Course; Phi Mu Alpha—Sinfonia; Class Football (1, 2); Glee Club (2, 3), Soloist (3); Baseball (1, 2).

"Max" arrived in our midst a bashful, blushing school boy from "Billtown." His sole object in life is to keep carefully hidden all of his natural abilities. He failed in his object for his carefully hidden athletic ability came to light soon after his arrival, and recently he has blossomed into a full-fledged Glee Club soloist.

MARIE JANE FETHEROLF
"Ree"

Allentown High School
Slatington High School

Wanamaker, Pa.

A. B. Course; Biological Society; Girls' Glee Club; Assistant Nurse (1); Sociological Society (1, 2); Der Deutsche Verein; Class Hockey Team (3); Education Club (1, 2).

Have you any aches and pains? Take them to Marie! Marie is preparing to be a nurse, and we think she will make an excellent one. The list of activities mentioned after her name shows that "Ree" has a wide variety of interests other than that of nursing.

JESSIE RICHART FIELDING, ΔΔΔ, C.E.A.

"Jess"

Scranton Technical High School

Scranton, Pa.

Delta Delta Delta; A. B. Course: C.E.A.; Frill and Frown; Freshman Y. W. C. A. Commission; Y. W. C. A. Cabinet (1, 2, 3); Vice-President (3); Girls' Glee Club (1, 2); Class Hockey (1, 2, 3), Captain (3); Class Basketball, Captain (2); Girls' Class President (3); Bucknellian Staff (3); Sophomore Cotillion Committee; Junior Prom Committee; L'Agenda Staff.

Introducing something new and different in the line of Co-eds. Here are found ability, pep, originality, personality, and winsomeness in an unusual and charming combination. If you don't know and love Jessie, you are missing a big part of your college life.

PAUL EDWARD FINK, ΣΧ, Friars

"Rev"

Jeannette High School

Jeannette, Pa.

Sigma Chi; A. B. Course: Friars, Vice-President (2); Glee Club (1, 2, 3); Kent Pre-Legal Club, Treasurer (3); Education Club (3); Junior Prom Committee; Associate Editor L'Agenda.

Here is a gentleman with personality plus and talent to the nth degree. Have you ever seen anyone so busy? A great deal of Paul's interest seems to be centered in the Alumni Office, but a great deal more seems to be centered in the Sem.

EVELYN BEULAH FISCHLER, KΔ
"Ev"

Williamsport High School

Williamsport, Pa.

Kappa Delta; A. B. Course: Sociological Society (1, 2); Education Club (3); Spanish Club (2, 3).

One member of the "Four Horsemen" who is useful as well as ornamental. "Ev" plays the piano to keep the Sem amused, that is, when she is not being amused herself.

CLARA EDITH FORTNER, AXΩ
"Jerry"

Port Allegany High School

Port Allegany, Pa.

Alpha Chi Omega; A. B. Course; Vice-President Freshman Y. W. C. A. Commission; Girls' Class Treasurer (2); Pan-Hellenic Board (3); Education Club (3); Class Hockey (1, 2, 3); Class Basketball (2).

You can spot her anywhere on the Campus, with her bright hair bobbing up and down. When it comes to hockey, hiking, and plain good fun, "Jerry" is the girl. Although preceded by a brother whose name, "Jerry," has been bequeathed to her, "Jerry" has overcome the handicap nobly.

JANE GRAYBILL FOUST, AXΩ, ΣΤΔ

Jane

Schenley High School

Greensburg, Pa.

Alpha Chi Omega; A. B. Course; Sigma Tau Delta; Sociological Society (1, 2, 3); Class Hockey (1, 2, 3); Girls' Class President (2); Girls' Glee Club (3). Special Chorus.

Come on up and dance. Here's Jane. Do you want a good pal? There's Jane. Looking for somebody clever to talk to? Try Jane. Do you crave an original idea? Ask Jane.

ALICE ELIZABETH FREDERICK, L.L.C.

"Betty"

Morgan High School, Clinton, Conn. Princeton, N. J.
Flemington High School, Flemington, N. J.

Lantern Laetitiae Club; A. B. Course; Girls' Glee Club (1, 2, 3), Special Chorus (2, 3), Junior Prom Committee; Biological Society (3); Education Club (3); Class Hockey (3); Class Basketball (2).

To the casual acquaintance, "Betty" is demure and retiring, with a marked aptitude for scholarly brilliance. However, to the chosen few of her friends, her sunny disposition creates for her a warm spot in their hearts.

GEORGE LEWIS FROST

"Jack Frost"

Passaic High School

Bradley Beach, N. J.

Pre-Medical Course; Basketball (1); Class Basketball (1, 2); Tennis (1, 2).

"Jack" has had so many wise cracks made about his name that we are going to take pity on him and not make any more. He is a tennis player of note, playing a style wherein the other fellow gets the exercise. Being a versatile lad he can also handle a violin in a very fair fashion.

REGINALD FREDERICK GAYLORD, ΘΥΩ

"Gay"

Clinton High School
Honesdale High School

Aldenville, Pa.

Theta Upsilon Omega; A. B. Course; Glee Club (1); Kent Pre-Legal Club (2, 3); Sergeant of Arms (2); College Band (3).

We appropriated "Gay" from a preceding class, and we're glad to get this wit of the classroom. This oral gift will stand him in good stead in the court-room. And, if anyone doubts his power of impersonation, just ask him to give some of his favorite sketches. As a cymbal player in the University band, he's a clash!

MILDRED MARIE GENTZLER, KΔ

"Mildred"

Trenton High School
Hood College

Muncy, Pa.

Kappa Delta; A. B. Course.

This shy little girl came to us from Hood. The story goes that Mildred left Hood because she heard that Bucknell was the summer home of many charming Robins. She is rather musical herself, so we are told.

ESTHER REBECCA GIRTON, IΜΕ

"Esther"

Bloomsburg High School

Bloomsburg, Pa.

Pi Mu Epsilon; A. B. Course; Education Club (2, 3), Treasurer (3); Women's Student Senate; Girls' Debating Team; L'Agenda Staff.

*Who is Esther; what is she?
There's a distinctive air about her.
Quiet, determined, frank is she;
And heaven with brains endowed her.*

A forceful, convincing speaker, original and interesting in conversation, and a genial, fun-loving companion.—that's Esther.

MARY GERTRUDE GOCHNAUR, ΠΒΦ, ΙΜΕ
"Trudy"

Lewistown High School Lewistown, Pa.

Pi Beta Phi; A. B. Course; Pi Mu Epsilon; Girls' Glee Club (1, 2); Education Club (3); Sociological Society (3); Spanish Club (3); Freshman Hop Committee.

Given: personality, looks, grace, poise, depth of character, and brains to balance. Solution: "Trudy" of the "Doabler Eight."

JOHN ROY GOODLANDER, ΣΑΕ, ΣΤΔ
"Goody"

Lock Haven High School Lock Haven, Pa.

Sigma Alpha Epsilon; A. B. Course; Sigma Tau Delta; Glee Club (1); Editor-in-Chief L'Agenda (3); Education Club (3).

Whenever you want something done, you can count on "Goody." Conscientious, artistic, and a good student, he should go far in his chosen profession.

CLARA LOUISE GRAEFF, KΔ, C.E.A.

"Louise"

Tamaqua High School
Drexel Institute

Tamaqua, Pa.

Kappa Delta; A. B. Course; C.E.A.

The Muses of poetry, music, and art eagerly respond to the call of Louise. Rather blasé, she is a charming picture to look upon, a charming person to be with, a girl who is as good as she looks.

WILLIAM LEROY HANN, KΔP

"Spike"

Dickinson Seminary

Pittsburgh, Pa.

Kappa Delta Rho; Pre-Medical Course; Biological Society.

If anyone has any doubt about the liveliness of our friend, "Spike," that person should become better acquainted with him. Besides, he is keen and shrewd in his capacity as a student, and he is already anticipating his future satisfaction in being addressed as "Doctor Hann."

HAROLD BYRON HARRIS, ΛΧΑ, Friars

"Bucky"

Plymouth High School

Plymouth, Pa.

Lambda Chi Alpha; Pre-Medical Course; Friars; Sophomore Cotillion Committee; Biological Society.

"Bucky" bears out the old maxim, "Good things come in small packages." Although his schedule of work, including an extension course in Milton, keeps him busy, yet he is always willing and ready to liven the atmosphere with his charming touch on the piano. Being a hard worker with a pleasant personality, "Bucky" gives promise of a successful future.

JOHN MAY HARRISON, BK

"Fat"

Plymouth High School

Plymouth, Pa.

Beta Kappa; B. S. in Education; Class Football (1).

Harrison is one of those fellows who says little but thinks much. This trait points for him the way to a great future as a thinking educator.

WILLIAM LLOYD HAWKINS, BK, HME, ΣBX
"Hawky"

Bentleyville High School Bentleyville, Pa.

Beta Kappa; Chemical Engineering Course; Pi Mu Epsilon; Sigma Beta Chi; Chemical Engineering Society, Treasurer (2), Vice-President (3); Big Four (3); Business Manager L'Agenda.

A most unique combination of scholastic ability, friendliness, and dignity of manner, makes us feel that the least anyone can say of "Hawky" is, "He is a man."

MILDRED JEAN HEADINGS, MFE
"Mid"

McAlister High School McAlister, Pa.
Ithaca Conservatory
Bucknell School of Music

Mu Phi Epsilon; A. B. Course; Girls' Glee Club (3), Special Chorus (3); Education Club (2); Sociological Society (3).

Just to assure you of her skill, "Mid" graduated from our School of Music when she was only a Sophomore. Her ability up the Hill is equally as good, and as a real friend she will rate "straight A" anywhere.

FRED HARVEY HEATHER JR., AXA, TKA
"Red"

Northeast High School Philadelphia, Pa.

Lambda Chi Alpha; A. B. Course; Tau Kappa Alpha; Y. M. C. A. (1, 2, 3); Debating (1, 2, 3), Captain (3).

"Red" is one of the boys in school who have real ideals and try to live up to them. His talents are many and varied, but his gift for making friends and keeping them is his greatest. Fred is also a debater of real ability. "Red" has left us twice, this time to give a poor parish the advantages of a brilliant and sincere minister.

NATHAN HAROLD HEILIGMAN
"Nat"

Lehighton High School Lehighton, Pa.

Pre-Medical Course; Pre-Medical Society.

It is written that "Idleness is the child of Ignorance." If this is true, then "Nat" is the very personification of wisdom, because he knows no idle moments. It is not uncommon to find him "hitting the books" far into the wee small hours.

KATHERINE STRAUB HELDT, ZIFT, HME, MFE

"Kitty" "Kitten"

Honesdale High School

Honesdale, Pa.

Zeta Gamma Tau; A. B. Course: *Pi Mu Epsilon*; *Mu Phi Epsilon*; *Der Deutsche Verein* (2, 3), Vice-President (3); *Education Club* (3); *Mathematics Club* (1, 2); *Sociological Society* (3); *Girls' Glee Club* (1, 2, 3), *Special Chorus* (1, 2, 3); *Class Basketball* (2); *L'Agenda Staff*.

Reserved, quiet, and self-sufficient she seems to those who know her but little. Under the reserve, those who really know her find a warm heart; under the quiet, a pleasant gaiety; along with the self-sufficiency one finds that she is friendly.

SIGEL FREDERICK HEPP, ΦΓΔ

"Fred"

Hamburg High School

Hamburg, N. Y.

Manlius School

Mercersburg Academy

Phi Gamma Delta; *Chemical Engineering Course*; *Chemical Engineering Society*.

With a wide female calling list, garnered during prep school days, "The Mystery Man" finds little trouble in knowing where to spend his week-ends. Just where he spends them is a matter of conjecture, and many of the boys fear for his safety.

ESTHER HERITAGE, ΦΜ

"Etter"

Glassboro High School

Mullica Hill, N. J.

Phi Mu; A. B. Course; *Sociological Society* (1); *Girls' Glee Club* (2, 3); *Education Club* (2); *Junior Prom Committee*; *Fraternity Hockey Team* (3).

Like the little brook, "Etter" bubbles on forever,—but the joke's on you—she often says something. She and her hero, Ponce de Leon, discovered the attractions of Florida. She has just two failings: *Phi Kappa Tau*, and Poetry.

RHODA LANDIS HERR, ΠΒΦ, C.E.A.

Rhoda

Millersville High School

Millersville, Pa.

Pi Beta Phi; A. B. Course; C.E.A.; *Girls' Glee Club* (1, 2); *Education Club* (3); *Sociological Society*.

Many people wonder who walks in such a stately fashion on the campus, or who lends such grace to the duty of presiding over a tea urn, or who dances with such lithe dignity. Take one look into the depths of big, brown eyes, and you find Rhoda, of the "Doabler Eight."

HOWARD THOMAS HOGAN, ΣX

"Marty"

Holley High School
Brockport Normal School

Holley, N. Y.

Sigma Chi; A. B. Course.

We are glad to welcome to our class a very versatile gentleman, "Marty," who is another one of those unassuming characters possessing the rare trait, personality. In spite of his studiousness, "Marty" seems to be especially interested in the Sem.

JOHN MAPLES HORTER, ΔΣ, ΦΜΑ

"Johnny"

North East High School
Painted Post High School

Painted Post, N. Y.

Delta Sigma; Mechanical Engineering Course; Phi Mu Alpha—Sinfonia; Glee Club (2); Mechanical Engineering Society; Big Four (2, 3); Class Football (1, 2).

Did you ever see "Johnny" without a smile spread over his countenance? He has a smile for everyone, wherever he is. It's hard to tell whether John is a Bucknellian or a student at Elmira College, for his time is about equally divided between the two institutions. Incidentally, "Johnny" is the first great engineer of the Hart, Schaffner, and Marx combination.

WILLIAM DUFFIELD HOY, KΣ

"Duff"

Lewisburg High School

Lewisburg, Pa.

Kappa Sigma; Chemical Engineering Course; Chemical Engineering Society; Big Four; Track (1, 2).

"Duff," the only town boy Kappa Sigma claims, is experienced in worldly matters, but keeps his knowledge under his hat.

JOHN DANES HUBBARD, ΦΓΔ

"Jack" "Mandy"

Peddie School
Kew-Forest School

Forest Hills, L. I., N. Y.

Phi Gamma Delta; B.S. in Biology; Biological Society (1, 2); Class Football (1, 2); Varsity Track Squad (1, 2, 3); Assistant Basketball Manager (2); Freshman Basketball Manager (3).

"Jack's" chief claim to distinction is his marathon sleeping record. With plenty of rest as his first consideration at all times, he ought to live to a fat old age.

JAMES POTTER HUGHES, ΦΓΔ

"Jimmy"

Bellefonte Academy
U. S. Naval Academy

Bellefonte, Pa.

Phi Gamma Delta; A. B. Course; Education Club (2, 3); Sociological Society (3); Boxing.

With a natural tendency for athletics developed at Bellefonte, "Jim" decided that it was about time Bucknell had a boxing team, so he went to it last year and started the thing. His experience at Annapolis has left its mark of the sailor on him, for, following tradition, he has a girl in every port.

ELIZABETH IRENE HUMPHREY

"Betty"

Philipsburg High School

Philipsburg, Pa.

A. B. Course; Freshman Y. W. C. A. Commission (1); Class Hockey (1); Class Basketball (1); Bucknell Journal of Education Staff (3); Sociological Society (1, 2, 3); Education Club (2, 3).

With a laugh that's contagious, a wit that's unique, and a heart that's gay, "Betty" hurries over the campus chasing away our blues. As House President of Brady she rules with a firm hand. And when it comes to Latin, "Betty" is right there.

FREDERICK FREISCH JACOBS, ΔΣ

"Fritz"

Danville High School

Danville, Pa.

Delta Sigma; Mechanical Engineering Course; Mechanical Engineering Society (1, 2, 3); Big Four (2, 3); Assistant Manager Football (1, 2, 3).

Behold, the perfect engineer. "Fritz" is the second of that paramount trio of Great Bucknell Engineers, Hart, Schaffner, and Marx. He is the student type of engineer who is particularly careful not to let any study interfere with his education. It is strongly suspected, however, that "Fritz" receives most of his education at the West Chester Normal School. After all, "Highways are happy-ways, when they lead the way—?"

ELIAS RAY JOHNSON, BK

"Ray"

Blakely High School

Factoryville, Pa.

Beta Kappa; A. B. Course; Biological Society (1, 2); Education Club (3).

Besides having many friends among the fellows, "Ray" has quite a list of acquaintances at the Sem. His witty, care-free manner will make him friends in the "cold, cruel world" just as it has done on the campus.

WILLIAM GYNNE JONES, ΦΓΔ, ΗΔΕ

"Turk"

Nanticoke High School
Philadelphia School of Industrial Art

Nanticoke, Pa.

*Phi Gamma Delta; A. B. Course; Pi Delta Epsilon;
Belle Hop Staff (1, 2, 3), Business Manager (3); Sophomore Cotillion Committee; L'Agenda Staff.*

Gaze upon the above noble profile and you are viewing one of the high lights of the present generation of literati. "Turk" is a loyal friend with a rare wit that places him well out in front of the local collegiate humorists, and typifies the keen sense of values he has in general. And truly, he is a Nurmi with the fair sex on the campus. He deserves, above all, the name, "gentleman."

CHARLES WOLFE KALP, ΦΓΔ

"London"

Lewisburg High School

Lewisburg, Pa.

Phi Gamma Delta; A. B. Course.

In the fog ever since he entered school, "Charlie" can't seem to get out of it, but we are predicting that when he does he'll crash through with something big.

HAZEL THELMA KENNEDY
Hazel "Iggie"

Muncy High School

Muncy, Pa.

A. B. Course; Education Club (3); Sociological Society (2).

*"Hazel is chuck full of fun
And makes a friend of everyone.
Zest and zeal beyond compare,
Even when her friends despair,
Looking always to the sun."*

Since Hazel has emerged triumphant from the trials of Zoology, her cases of gloom are few and far between.

JAMES LAWRENCE KERWAN, ΚΕ
"Jim"

Elmira Free Academy

Elmira, N. Y.

Kappa Gamma; A. B. Course; Class Football (1); Kent Pre-Legal Club.

"Jim" is a deep thinker. One can find him at all hours of the night solving the great problems which are a puzzle to ordinary men. We are sure "Jim" will make a successful attorney.

OELLA KISOR, ΦΜ

"Ellie"

Monessen High School

Monessen, Pa.

Phi Mu; A. B. Course; Freshman Y. W. C. A. Commission (1); Girls' Glee Club (1, 2, 3); Education Club (3); Sophomore Cotillion Committee.

When pretty, petite "Ellie" stepped timidly into the collegiate atmosphere of Bucknell, she was just an adorable little girl. Since then she has acquired all the "savoir faire" involved in an education, and has added to natural good looks and personality the charm of knowing what it's all about. And how about that Sigma Chi pin?

MIRIAM FLORENCE KLINE, ΠΒΦ

"Cricket"

Lansdale High School

Lansdale, Pa.

Pi Beta Phi; A. B. Course; Girls' Glee Club (1, 2); Education Club (3); Sociological Society (3).

She is small, dainty, popular. Her hair is always shining, her eyes are always sparkling, she is always dancing,— "Cricket," of the "Doabler Eight."

EUGENE LARUE KLINGLER, ΘΥΩ

"Gene"

Emlenton High School

Emlenton, Pa.

Theta Upsilon Omega; Chemical Engineering Course; College Band (1, 2, 3); Symphony Orchestra (2, 3); Chemical Engineering Society (1, 2, 3); Big Four (1, 2, 3).

If you are serious when "Gene" is serious, or if you are jovial when he is jovial, you will agree that he is a good sport,—but be sure he is in the right mood! His more serious interests, however, are divided between Bucknell and a member of the staff of one of the Pittsburgh hospitals.

KATHERYN EMMA KLINGMAN

"Kitty"

Watsonstown High School

Watsonstown, Pa.

A. B. Course; Education Club (2, 3).

Katheryn can be very sober if it's education or psychology, but she sure can wrinkle up her face to make you laugh. She is the lucky possessor of a charming personality and a studious, but not too studious, nature. If she feels like idling, all books are laid aside, yours included.

*"Not bold, not shy, not short, nor tall,
But just a nice mingling of them all."*

BERNARD FRANK KLOSTERMAN, ΣΑΕ, Druids
"Bernie"

Holmco High School

Covington, Ky.

Sigma Alpha Epsilon; A. B. Course; Druids; Varsity Football (2, 3); Freshman Football (1); Varsity Basketball (2, 3); Freshman Basketball (1); Freshman Baseball (1).

"Bernie" is a versatile athlete of no mean ability, and as a basketballer he is the nearest thing to greased lightning we have ever seen. And he shows some speed with the women, too.

THOMAS WATKINS KREDEL, ΦΚΨ, Druids
"Tim"

Johnstown High School

Johnstown, Pa.

Phi Kappa Psi; Pre-Medical Course; Druids; Biological Society (1, 2, 3); L'Agenda Staff.

Horses! Horses! Horses! That's all "Tim" lives for when the weather permits the equestrian art. But, surely, one who is so interested in such a noble art must have the qualities that will some day produce an outstanding medico.

HOWARD GILBERT KULP JR., KΣ
Kulp

Vineland High School

Vineland, N. J.

Kappa Sigma; A. B. Course; Cap and Dagger (1, 2, 3); Freshman Track Team.

Kulp, the boy from Vineland, always ready for good times.— and he sure does have them. Nevertheless, Kulp is a good student, and is very talented in dramatics.

BRINTON LAUFER KUNKLE, ΦΛΘ
"Brint"

Fairview High School and Academy Brodheadsville, Pa.
Stroudsburg Normal
Pierce Business College

Phi Lambda Theta; B. S. in Education.

This is "Brint's" first year in Bucknell, but his broad scholastic experience gained at other institutions makes him a valuable asset to the University.

BFNJAMIN GEORGE KUPSTAS, ΣΑΕ
"Kup" "Flo"

Memorial High School

Wilkes-Barre, Pa.

Sigma Alpha Epsilon; A. B. Course; Freshman Football (1); Varsity Football (2, 3); Assistant Baseball Manager (2); Sociological Society (3).

That this gentleman comes to us from the hard coal regions probably accounts for the fact that he is so well able to take care of himself in any situation.

RUTH DENGLER LE FEVRE, KA
"Jackie"

Reading High School for Girls Wyomissing Hills, Pa.

Kappa Delta; A. B. Course; Sociological Society (1, 2); Education Club (3); Spanish Club (2, 3).

"Just a little thing called rhythm"—it's part of the make-up of this trick member of the "Four Horsemen." "Jackie" spends her time dancing and keeping the mails to Lehigh rushed.

HELEN CAROLINE LEININGER, AXΩ
Helen

Wyomissing High School

West Lawn, Pa.

Alpha Chi Omega; A. B. Course; Vice-President of the Girls' Class (1); Sophomore Cotillion Committee; Education Club (3); Sociological Society (3); Spanish Club (3).

Helen is a perfect refutation of the statement, "Gentlemen Prefer Blondes." If one might count back far enough there is no doubt that her descent could be traced from another Helen, whom gentlemen seemed to prefer, in the days when the walls of Troy furnished the background for attractive, black-haired ladies.

NETTIE DOROTHY LEMON, KA
"Pinky" "Dot"

Cherry Tree High School
Clarion Normal School

Cherry Tree, Pa.

Kappa Delta; A. B. Course.

"Pinky" exemplifies George Washington's liking for cherry trees, but inconsistent with the principles of the immortal George, she has no qualms for breaking dates, and inventing beautiful excuses for doing so.

JOHN ALFRED LINDNER, $\Sigma\chi$

"Johnny"

Milton High School

Milton, Pa.

Sigma Chi; A. B. Course.

"Johnny" is small of stature, but he certainly has a big heart. He is as care-free as a boy playing "hookey" from school to go fishing, on a spring day. Although he managed to stay away from the Sem during his first two years at Bucknell, he has at last succumbed, and now is one of the most consistent visitors there.

ALBERT FOSTER LITTLE

"Unc"

Cortland Central High School
Elmira Free Academy

Elmira, N. Y.

Chemical Engineering Course; Chemical Engineering Society; Big Four; Class Football (1).

"Unc" is of the opinion that women and trouble have the same birthday. Since he believes in putting his theories into practice he will have nothing to do with females, and is therefore a remarkably care-free chap.

FRANK BARKER LOPER, $\Theta\Upsilon\Omega$

"Lope"

Bridgeton High School

Bridgeton, N. J.

Theta Upsilon Omega; A. B. Course; Class President (3); Y. M. C. A. President (3), Secretary (2); Ministerial Association, Treasurer (1); Vice-President S.C.R. A. (3); Class Football (1, 2), Manager (1), Captain (2); Class Track, Captain (1); Varsity Track (2); Sociological Society (2, 3).

The boy with the habit of being president! Frank is a happy mixture of Christianity, athletic prowess, executive ability, and music. Having been president of his high school class for four years, he has acquired the ability to mold organizations into straightforward, efficient units.

ROBERT LOUIS LYON, $\Sigma\Tau\Delta$

"Bob" "Ben"

Wellsboro High School

Wellsboro, Pa.

Sigma Tau Delta; A. B. Course; Bucknellian Staff, Reporter (2), News Editor (3); Commencement News (2); Symphony Orchestra (2, 3), Manager (3); College Band (1, 2, 3); Y. M. C. A. Cabinet (3); Der Deutsche Verein; Sociological Society; Contributor to the Bucknell Book of Verse (1, 2); Winner Pi Delta Epsilon Editorial Prize (1, 2).

*"To those who know thee not,
No words can paint;
And those who know thee,
Know all words are faint."*

LOUIS THOMAS MCALOOSE
"Mac" "Lou"

Hazel Township High School McAdoo, Pa.
Pennsylvania State College Summer Session

Pre-Medical Course; Biological Society.

"Mac," a martyr to tradition, with Senior Council playing the part of Nero and the Lions, showed initiative at that time which speaks for a brilliant future.

RUTH DEANE MCFARLAND, ΔΔΔ
Ruth

Watsonstown High School Watsonstown, Pa.

Delta Delta Delta; A. B. Course.

Have you noticed a certain red car, driven by a little girl with laughing brown eyes? And have you been offered a lift to Milton? If you have you'll understand why everyone who meets Ruth agrees with us when we rave about her.

ELIZABETH JUNE MCCHOSE, ΦΜ
"Betty"

Hazleton High School Hazleton, Pa.

Phi Mu; A. B. Course; Freshman Y. W. C. A. Commission; Y. W. C. A. Secretary (3); Debating Team (1); Girls' Glee Club (1, 2, 3); Junior Girls' President (3); Education Club (3); Pan-Hellenic Council (3, 4); Freshman Hop Committee,

"Betty" has all the affability and cheer of a politician before election. The only difference is that her good humor is natural, and if she runs for offices she usually draws down the prize. To older people "Betty" is a sweet, dependable girl; to her Sem playmates she's the "stuff," and is so witty as to be a positive riot.

JOHN DONALD MCLURE, BK, ΦΜΑ
"Jack"

New Castle High School New Castle, Pa.

Beta Kappa; A. B. Course; Phi Mu Alpha—Sinfonia; Glee Club (2, 3), Business Manager (2, 3); Assistant Business Manager L'Agenda.

By enthusiastic participation in the extra-curricular activities of college life, "Jack" has shown himself to be a liberalist.

WILLIAM THOMAS MAHOOD, ΦΓΔ, Druids

"Bill" "Daisy"

Wilkinsburg High School

Edgewood, Pa.

Phi Gamma Delta; A. B. Course; Druids, President (2); Freshman Football (1); Varsity Football (2); Sociological Society (2); Spanish Club (2, 3).

"What! Another Pittsburgher? Yeah—but this one's different!"—The original "Joe Versatility." "Bill" is equally at home in a football suit or a tuxedo, and with a line of unbeatable smoothness such as he possesses, we predict for him a brilliant political career in the Smoky City.

ALAN LAMOTT MARTIN

"Al" "Tubby"

Hamburg High School

Glenwood, N. J.

Pre-Medical Course; College Band (1, 2, 3); Biological Society; Der Deutsche Verein.

This lad's history is a parallel to that of David, who played his music to soothe the king; but, living in a more modern age "Tubby" played his saxophone to soothe the irate Senior Council during his freshman year, thereby confirming the old adage, "Music hath charms."

LORINNE MARTIN, KΔ, C.E.A.

"Blondie"

Pittston High School

Pittston, Pa.

Kappa Delta; A. B. Course; C.E.A.; Senior Class Secretary; Sociological Society; Education Club; Freshman Hop Committee.

Pure sweetness wrapped in the casings of a French doll,—versatile, sunny, lovable. And can she dance! We all say that she is a little girl about whom perfumed sonnets might be written and endless dreams spun.

HARRIET CECELIA MENGES, HME

Harriet

Montgomery High School

Montgomery, Pa.

Pi Mu Epsilon; A. B. Course; Education Club (2, 3); Winner Pi Mu Epsilon Scholarship Fraternity Prize (2).

Harriet's specialties are Math, Botany (?), and the opposite sex. Of course, Harriet can be serious, as is shown by her popularity with certain Math professors, but she isn't usually that way. Her chief assets are her ever-ready smile and lovable disposition, while as a student she is "par excellence."

MICHAEL STEPHEN MERMON, K.F.
"Micky"

Nesquehoning High School Nesquehoning, Pa.

Kappa Gamma; Pre-Medical Course; Sociological Society; Class Football (1, 2); Varsity Football Squad.

"Micky" is a clean-cut chap.—that's a fact. Smoking, drinking, and wild women are out of the question. That there are higher things in life for "Micky" is proved by his scholastic standing.

HARRY VICTOR MEYER JR., ΔΣ, ΦΜΑ, ΘΛΦ
"Vic"

Westfield High School Cheltenham High School Glenside, Pa.

Delta Sigma; Mechanical Engineering Course; Phi Mu Alpha—Sinfonia; Theta Alpha Phi; Cap and Dagger; Glee Club (1, 2, 3); Mechanical Engineering Society (2, 3); Big Four (1, 2, 3); Freshman Hop Committee; Inter-Class Council (3); L'Agenda Staff.

The last and concluding member of the well-known trio of engineers, Hart, Schaffner, and Marx. This dashing young hero of Cap and Dagger fame has compiled an enviable record during his first three years at Bucknell. "Vic's" activities have been many and varied, extending even into the field of radio. In this capacity he slings a mean line of bed-time stories through WJBU and other stations. But as an engineer, "Vic" makes a fine—?

KIMBALL DICKSON MILLER, ΣΑΕ, Friars
"Red" "Kim"

Williamsport High School Williamsport, Pa.

Sigma Alpha Epsilon; A. B. Course; Friars; Track (1, 2); Junior Prom Committee; L'Agenda Staff.

Capable, industrious, and responsible, "Red" is one of those men on whose word we can rely with the utmost confidence. This, plus his personality, makes him one of the outstanding men of the campus.

ELIZABETH PAULINE MILLS, ΗΒΦ
"Bettie"

Gloversville High School Blue Point, N. Y.
Denison College

Pi Beta Phi; A. B. Course; Education Club (2, 3); Sociological Society (3).

"Bettie" came to us in our Sophomore year. In the short space of one year we have found her to be a ray of cheer, and we all love her for it. "Her modest manner and graceful air show her as good as she is fair."

JOHN CREVELING MINICK, AXM

"Min"

Mount Airy High School

Mount Airy, N. C.

Alpha Chi Mu; A. B. Course; Class Baseball (1); Kent Pre-Legal Club (3); L'Agenda Staff, Assistant Business Manager.

"Tar-heel Min" from God's country, North Carolina, has won a place in our esteem as a true Southern gentleman. Cheery, genial, and generous, he is popular with all. Here's to you, big boy!

EUGENE GUINETTO MIRARCHI, KI

"Gene"

Mt. Carmel High School

Kulpmont, Pa.

Kappa Gamma; A. B. Course; Kent Pre-Legal Club (3), Secretary-Clerk; Varsity Debating (3).

Knowing that "Gene's" one great ambition is to be District Attorney of Northumberland County, it will be gratifying to his friends to learn that he is already working on a difficult "case" in Kulpmont.

FREDERICK BRICE MITCHELL, ΘΤΩ, Druids

"Mitch"

Madison High School

Madison, N. J.

Theta Upsilon Omega; A. B. Course; Druids; Freshman Football (1); Freshman Basketball (1); Freshman Baseball (1); Varsity Football (2, 3); Varsity Basketball (2, 3); Varsity Baseball (2, 3); Class President (2).

We don't need to write anything about "Ted"; everyone knows him, anyway! He is the Center of the Bisons: ask any one of those huskies if you want an enthusiastic recommendation.

ELIZABETH MONTGOMERY, KΔ

"Betty" "Betts"

Kirkwood High School

Kirkwood, Pa.

Kappa Delta; A. B. Course; Sociological Society (1, 2.); Education Club (3); Freshman Hop Committee.

"Betty" is one of those fortunate individuals with a wonderful disposition. We have yet to see her really and truly cross. Lindbergh with his hosts of friends has nothing on her. On rainy days, how the Co-eds envy "Betty" with her naturally curly hair!

OLIVER PHILIP MONTGOMERY, ΣΑΕ, Druids
"Phil" "Ops"

Milton High School Watsontown, Pa.

Sigma Alpha Epsilon; A. B. Course; Druids; Sociological Society (3); Assistant Football Manager (2).

"Phil's" special mission in life seems to be the radiation of good cheer to all with whom he comes in contact. He is the personification of everything "collegiate."

ABRAM ANTHONY MORELLI, ΦΓΔ
"Abe"

Steubenville High School Steubenville, Ohio

Phi Gamma Delta; A. B. Course; Class Football (1, 2); Belle Hop Staff (2, 3); Spanish Club (1, 2, 3); Sociological Society (1); Assistant Baseball Manager (2); Freshman Baseball Manager (3).

In spite of the fact that "Abe" comes from Steubenville, he's a good egg and not so hard-boiled as the place of his birth would indicate. "Abe" is a plunger and is noted for his steadfastness of purpose, once he sets out to do something.

GEORGE WARREN MORGAN, ΦΑΔ
"Morg"

Pottsville High School
Massanutton Academy
Cornell Law School

Pottsville, Pa.

Phi Alpha Delta; A. B. Course.

We are told that this young fellow is a second Don Juan. He has his lady friends card-indexed, and works his dates by shuffling and cutting the cards. But, like Don Juan, he has at last succumbed. He now has only one card to shuffle.

MILDRED MOSSER, ΚΔ, ΗΜΕ
"Jimmie"

Media High School Media, Pa.

Kappa Delta; A. B. Course; Pi Mu Epsilon; Chairman of Freshman Rules Committee; Education Club (3).

Behold the wise little girl who saves all her cuts for a real vacation. This doesn't mean that "Jimmie" objects to Bucknell, but she likes one small fraction of Penn better.

GILBERT BISHOP MOYER, ΦΓΔ, ΠΔΕ
"Bish" "Gil"

Perkasie High School

Perkasie, Pa.

Phi Gamma Delta; A. B. Course; Pi Delta Epsilon; Freshman Football (1); College Band (1, 2); Student Council (3); Belle Hop (1, 2, 3).

Some day you'll hear of a man named Moyer selling pickles to the Zulus, and if your memory is at all good, you'll think of the man who sold more radiators to the Freshmen than all the rest of the class combined. "Bish" has a brilliant future ahead of him. It would be impossible for anyone with as much push not to get ahead.

HAROLD WATSON MURRAY, ΦΛΩ
"Merry"

Milton High School

Milton, Pa.

Phi Lambda Theta; Civil Engineering Course; Big Four.

Here is a conscientious student and a true friend. "Merry" is well acquainted with the three w's, work, win, and last, but not least, women.

PHILIP GEORGE MURRAY, ΔΣ, ΦΜΑ
"Phil"

Curtis High School Staten Island, N. Y.

Delta Sigma; A. B. Course; Phi Mu Alpha—Sinfonia; Glee Club (1, 2, 3); President (3); Cap and Dagger; Ministerial Association; Sophomore Cotillion Committee; Baseball (1); Varsity Track (2).

"Phil," our "Sky-Pilot," gained a place for himself in Cap and Dagger by his ability to act hard-boiled. "Phil" came from a tough town, and he's never been able to wipe that expression off his face. But, when "Phil" sits down at the piano, he's far from being tough, for the keys certainly are taught to talk for him. Besides being a pianist and a prominent member of the Glee Club, "Phil" is also a fast man on the cinder path, and boots a mean ball on the soccer field.

HELEN MYERLY, ΚΔ, C.E.A.
"Freda"

Wilkes-Barre High School

Forty-Fort, Pa.

Kappa Delta; A. B. Course; C.E.A.; President Spanish Club (3); Education Club (3).

This dark-eyed, dignified Doablerite exists during the week in Lewisburg, and spends week-ends at Penn State. Knowing Helen, we feel that State has gained one victory over us.

RICHARD TROWBRIDGE NICHOLSON, AXA

"Dick" "Nick"

Collingswood High School Collingswood, N. J.

Lambda Chi Alpha; A. B. Course; Varsity Track (1).

Shrewd discrimination was shown by "Old Nick" in his transfer from the University of Pennsylvania to Bucknell, and profound wisdom was displayed when he changed from the field of engineering to the ministry. His really deep insight, mellowed by his kind spirit, makes him one of the campus' personalities. If you want a task done, and done properly, see "Nick."

MELVIN WHITTINGTON PAUL, ΦΛΘ

"Mel"

Plymouth High School Plymouth, Pa.

Phi Lambda Theta; A. B. Course.

"Mel" is the most versatile man we know. He is interested in anything and everything, from athletics to women, and is proficient in all his interests.

SARA ANNE PORTER, ΔΔΔ, C.E.A.

"Sally" "Sally Anne"

Juniata High School

Juniata, Pa.

Delta Delta Delta; A. B. Course; C.E.A.; Frill and Frown; Class Secretary (3); Sociological Society (2); Class Representative; Pan-Hellenic (3); Girls' Glee Club (2, 3); Reader.

"Sally Anne" is the ideal college girl. Good dancer? Well, just watch her step! Wit? The blues don't have a look in when "Sally's" around. Good student? Just look at the eighty-five list! Anyone you want for anything, anywhere, anytime? See "Sally."

MOSE QUINN, ΣAE, Friars

Mose

Sigma Alpha Epsilon; A. B. Course; Friars; Varsity Football (1, 2, 3); Varsity Baseball (1, 2, 3); Captain (3); Sociological Society (2, 3); Y. M. C. A. Cabinet (3).

"A smile for everyone—a crack at anyone"—such seems the philosophy of this genial athlete from the South, one of the most popular "big men" of the campus.

HANS EMIL RAHM, ΦΔΘ

"Huntz"

Reading High School
University of Cincinnati

Reading, Pa.

Phi Delta Theta; Mechanical Engineering Course; Big Four; Glee Club; Mechanical Engineering Society.

Although Hans has not been with us very long, his cheerful Dutch mannerisms have captivated us all. Besides, with his Napoleonic abilities, he will easily rise to the heights of Mussolini, an accomplishment which will make a certain party in Cincinnati very proud.

JOHN EDWARD RANK

"Doctor"

Williamstown High School

Williamstown, Pa.

A. B. Course; Chemical Engineering Society; Sociological Society.

What ho! What manner of man is this? Aristotle, Plato, and Socrates brought back to life in the person of this red-headed philosopher. When the "Doctor" holds forth, all tongues are silent, awed by his infinite wisdom.

ALLEN ADAM RARIG, ΦΔΘ
"Pharmer"

Locust High School

Catawissa, Pa.

Phi Lambda Theta; A. B. Course; Class Football (2); Junior Prom Committee.

"Pharmer" is a gentleman and a scholar, but spends too much time in social welfare work, especially during his week-end trips to Catawissa. He says "There is a reason," and we believe him.

ALFRED HARRIS RAWLINSON, ΑΧΜ, ΣΤΔ, ΤΚΑ

Shanghai, China

*Alpha Chi Mu; A. B. Course; Sigma Tau Delta; Tau Kappa Alpha; Ministerial Association (1, 2); Debating Team (3); *L'Agenda* Staff.*

Being a cosmopolitan, "Rawly" finds it difficult to be enthusiastic about anything. He often thinks of taking a flying visit home, and would have done so if the Dole Race had not turned out so unfortunately.

ETHEL EMILY REAM
"Dreamie"

A. B. Course; Education Club.

Ethel is a town girl—consequently we see but little of her. When we meet her in classes she is quiet and reserved, and easily reveals the reason for her nick-name, "Dreamie." Then, too, she is quite the Math shark, but most of her interests are in Lewisburg rather than on the Hill.

KENNETH GEORGE REINHEIMER, KΣ, Friars
"Dutch"

Lehighton High School **Lehighton, Pa.**

Kappa Sigma; Pre-Medical Course; Friars; Biological Society (1, 2, 3).

"Dutch," the "Oh Yeee Boy," is truly an out and out Dutchman, and if you don't believe it just visit the Kappa Sigma House around vacation time. He is planning to enter medical school in 1930, and we are all sure he will make a wonderful doctor.

GERTRUDE KATHERINE RENTZ, K.D., C.E.A.
"Gett"

Kappa Delta; A. B. Course; C.E.A.; Sociological Society (2); Education Club (3).

If you are rudely awakened during a quiet sleep by a syncopated giggle or a sleepy jazz tune, you'll know "Gert" is around. Speed? Old Ben Hur is creeping when "Gert" buzzes along in her Marmon chariot. Here's to the Grand High Priestess of the Association of Heavy Sleepers!

GRIER RIEMER, ΦΓΔ
Grier

Bloomsburg Normal School Bloomsburg, Pa.

Phi Gamma Delta; A. B. Course; Senior Council.

Until this year, Grier was one of our most prominent and persistent women-haters, but a summer in Nanticoke has changed him considerably, so that the Sem is now his permanent hang-out.

HUGO RIEMER, ΦΓΔ

Hugo

Bloomsburg Normal School

Bloomsburg, Pa.

Phi Gamma Delta; A. B. Course; Cap and Dagger; Class Football (1); Class Basketball (1).

Here, ladies and gentlemen, we have the only logical successor to Lon Chaney. And this is not meant as a "wise one"—for Hugo is a master of make-up and impersonation. Through his choice of the legal profession, the stage loses a brilliant prospect.

HELEN MURIEL RILLO, ΔΔΔ, C.E.A.

"Frenchie"

Madison High School

Madison, N. J.

Delta Delta Delta; A. B. Course; C.E.A.; Freshman Hop Committee; Sociological Society (1, 2); Education Club (2, 3).

Petite and chic is "Frenchie," looking always as if she had just stepped out of a band-box. She never fails to make them look a second time. "Frenchie's" gaiety and wit will always assure her numerous friends.

CHARLES HENRY RIVENBURG, ΘΥΩ, ΦΜΑ
"Chuck"

Geneseo Township High School

Geneseo, Ill.

Theta Upsilon Omega; A. B. Course; Phi Mu Alpha—Sinfonia; Glee Club (1, 2, 3), Pianist (2); Bucknellian Staff (2, 3), Assistant Editor (3); Education Club (2, 3); Editor Bucknell "Y's Owl" (3); Chairman Junior Prom Committee; L'Agenda Staff.

"Chuck" came to college with a roll of music in one hand, a pencil in the other, a typewriter in his trunk, and a "Bucknellian" in his pocket. He then proceeded to show us his wares, a task which he has done in a very able fashion.

JOSEPHINE MC KUNE ROBERTS, ΑΧΩ, ΣΤΔ
"Jo"

Sayre High School

Sayre, Pa.

Alpha Chi Omega; A. B. Course; Sigma Tau Delta; Contributor to the Bucknell Book of Verse (1, 2); Girls' Glee Club (1, 2, 3), Special Chorus; Freshman Choir; Student Council of Religious Activities, Secretary-Treasurer; Freshman Hop Committee; Sociological Society (1); Education Club (3); Women's College Editor of the Bucknellian (2).

If you hear mentioned the name of a modern novelist or poet, you're almost certain to look around and find "Jo" responsible for the remark. But in addition to knowing the literati from "A" to "Z," "Jo" is blonde, a good dancer, and generous.

KENNETH ROUNSLEY

"Ken" "Judge"

Harrisburg Technical High School Penbrook, Pa.

A. B. Course; Kent Pre-Legal Club (2, 3); Sociological Society (1, 2, 3); L'Agenda Staff.

"Judge" said, "Now don't put in any of this bunk about being a good fellow;" that is because he realizes what a "good fellow" really is. However, this serious-minded pre-legal student is characterized by his classmates as having an ability for good evaluation and judgment. Enough said!

DEWITT NELSON ROSENDALE, ΣX

"Rosy"

Montrose High School Montrose, Pa.
University of Pennsylvania

Sigma Chi; A. B. Course; L'Agenda Staff.

"Rosy" is one of those chaps who come to college for an education and who stick to their purpose. A faultless dresser, a perfect gentleman, and a sympathetic friend, "Rosy" possesses all the attributes of a man. He is a great lover of nature and can be found wandering in the woods almost any afternoon. And, in spite of all his other interests, "Rosy" finds diversion now and then at the Sem.

HENRY CHARLES RUPP

"Hen"

Lewisburg High School

Lewisburg, Pa.

A. B. Course.

"Hen" has been named "Atlas" by some of the boys because he generally seems to be carrying the burdens of the world on his shoulders. But if one succeeds in tearing away the veil of stoicism he finds quite an affable personality.

ELIZABETH HORNBY SALE, ΠΒΦ, ΣΤΔ

"Betty" "Bargain"

Lewisburg High School Lewisburg, Pa.

Pi Beta Phi; A. B. Course; Sigma Tau Delta; Frill and Frown; Education Club (2, 3); Biological Society (2, 3); Debating Team (1, 2); Hockey (1, 2); Basketball (1, 2); Y. W. C. A. Cabinet (1, 2); Freshman Y. W. C. A. Commission.

Just look for someone who's always doing something worth-while for her college; just listen to a soft, low voice; just notice her versatility in dramatics, debating, and athletics; just see who's both witty and wise—lo! there's "Betty."

FRANCES ESTHER SAUL, **FM**
"Frannie"

Phi Mu; A. B. Course; Secretary Girls' Class (2); Girls' Glee Club (1, 2, 3); Special Chorus (1, 2, 3); Sociological Society (2, 3); Education Club (3); Biological Society (3).

"Frannie" is "that child, my dear," who is a Semite. "Frannie" stopped playing with her dolls long enough to come to Bucknell and fall for her "adorable Bob." Her favorite sport is singing love songs.

SAMUEL LUTHER SAVIDGE
"Sam" "Savage"

Northumberland High School Northumberland, Pa.

Pre-Medical Course; Biological Society.

Scallop

as bad as his name.

JOSEPHINE SCHILLING. ΔΔΔ
"Joe"

Franklin High School Bradford, Pa.

Delta Delta Delta; A. B. Course; Freshman Y. W. C. A. Commission; Sociological Society (3); L'Agenda Staff.

From tip to toe "Joe" is a dynamic combination of the blue eyes you read about, a highly developed sense of humor, grace, and daintiness. Her pen and tongue create sparkling witticisms, and last but not least, to give the final touch to the picture, she is a clever dancer.

PAUL JONES SFIDEL, ΣX
"Red"

Sigma Chi; Civil Engineering Course; Big Four.

Possessing the ambitions as well as the attributes of a soldier, "Red" will probably be a terror to raw recruits some day. And, if he isn't a soldier, he'll make the best of engineers, because he possesses a personality that spells success.

ARCHIE PETER SEILER, $\Phi\Gamma\Delta$. Druids
"Arch" "Pooge" "Pete" "Spucky"

Hawley High School Hawley, Pa.
Scranton-Lackawanna Business College

Phi Gamma Delta; A. B. Course; Druids, Vice-President (2); Freshman Basketball (1), Captain; Varsity Basketball (2, 3), Captain (3); Class Basketball (2), Captain; Freshman Baseball (1); Varsity Baseball (2); Spanish Club; Education Club.

Bucknell's chief claim to individual inter-collegiate high scoring in basketball, Archie is one of the most brilliant team workers and individual stars that B. U. has ever developed. Baseball also finds him highly proficient. With all the honors piled upon him, "Pooge" never forgets that he is "just one of the boys," and it is hard to find a more popular athlete on the campus.

GILARDO SAMUEL SERINO, KT
"John" "Doc"

West Pittston High School West Pittston, Pa.

Kappa Gamma; Pre-Medical Course; Assistant in Chemical Laboratory; Sociological Society; Inter-Class Football (1); L'Agenda Staff; Junior Prom Committee.

Here he comes, there he goes,—that's Serino, the West Pittston flash, whose speed makes Scranton and Philadelphia seem but a short distance away from Lewisburg. And as a student, "Doc" is right with the leaders.

HORACE JONES SHEPPARD, $\Theta\Upsilon\Omega$, HME
"Hop"

Bridgeton High School

Bridgeton, N. J.

Theta Upsilon Omega; A. B. Course; Pi Mu Epsilon; Freshman Hop Committee; Class Football (1); Glee Club (3); Education Club (3); L'Agenda Staff.

"Shep" is the serious lad who likes to be funny. Equally as well known in the Sem as he is popular on the Hill, he has a sure place on the "popular" list. In some manner "Hop" finds time to carry on his social duties, take part in activities, and yet "pull down" a good scholastic average.

RALDO EMERSON SHIPMAN, BK, HME
"Shippie"

Sunbury High School

Sunbury, Pa.

Beta Kappa; Mechanical Engineering Course; Pi Mu Epsilon; Mechanical Engineering Society; Big Four, Secretary (3); Class Football (2).

Smiling, joking, and scholastically able—that's "Shippie."

THELMA JOHNSON SHOWALTER, ΠΒΦ, ΗΜΕ

Thelma "Showie"

Lewistown High School

Lewisburg, Pa.

Pi Beta Phi; A. B. Course; Pi Mu Epsilon; School of Music (1); Freshman Choir; Sophomore Cotillion Committee; Y. M. C. A. Cabinet (3); Y. W. C. A. Delegate to Eagles Mere (2); Education Club (3); Junior Prom Committee; L'Agenda Staff.

Thelma is one of '29's rare members, for she possesses both looks and brains. Her charming smile and winning way account for her many friends. She is dignified, self-possessed, and always says and does the most fitting thing at the right time and proper place.

THOMAS JEREMIAH SHUTT

"Tom"

Milton High School

Milton, Pa.

Pre-Medical Course; Biological Society; Y. M. C. A. (2).

Jeremiah has no weaknesses at which we can laugh. In his reflective moments he maintains that if we succeed in lengthening the intellect the skirts will take care of themselves. We can't find out whether he means figuratively or literally.

ELIZABETH CAROLYN SIEGFRIED, ΚΔ, ΘΑΦ
"Betty" "Betts"

Allentown High School

Allentown, Pa.

Kappa Delta; A. B. Course; Theta Alpha Phi; Frown and Frown; Freshman Y. W. C. A. Commission; Y. W. C. A. Cabinet (2); Girls' Glee Club (1, 2, 3), Special Chorus (2); Junior Prom Committee.

A pleasing friend, a charming girl, a perfect pal—that's "Betty." Taking to heart Shakespeare's little line "the world's a stage—", "Betty" is on the straight road to fame. She plays the game of life squarely, and she is exceedingly attractive behind the footlights.

GEDDES WILSON SIMPSON, ΔΣ

Geddes

Lewisburg High School

Lewisburg, Pa.

Delta Sigma; A. B. Course; Class Treasurer (1); Chess Club (1, 3); Sociological Society (3); Biological Society (3); Varsity Track (2); Y. M. C. A. Cabinet (3); Junior Prom Committee.

And here's our business man. Geddes not only holds down an important position in a local bank, but he is also a fleet-footed apostle of Mercury on the cinder path.

DORIS FRETON SINER, ΠΒΦ, C.E.A.
"Dorie"

Germantown High School

Germantown, Pa.

Pi Beta Phi; A. B. Course; C.E.A.; Frill and Frown; Hockey Team (1, 2). Captain (2); Education Club (2); Sociological Society (2); Spanish Club (1, 2).

"Dorie of Doabler!"—And she's head man in that show! For her personality, everyone knows her; for her cleverness, everyone admires her; for herself, everyone loves her.

MARY GLADYS SLATER
"Slater"

Greenwich High School

Greenwich, Conn.

A. B. Course; Class Hockey (1, 2, 3).

"A merry heart doeth good like medicine."

Gladys is one of our aristocratic looking Juniors—the "Vassar type"—but she is jolly just the same. Her ambition is to be an interior decorator. However, we know that she has enough talent to succeed in whatever she plans to do.

FLOYD RUSSELL SMITH, BK
"Smitty"

Franklin High School

Franklin, Pa.

Beta Kappa; A. B. Course.

An intimate mixture of good nature, knowledge, and humor makes "Smitty" well liked on the campus, and makes us feel that his life should not be without use.

HERBERT RHODES SMITH, ΛΧΑ, Friars
"Herb"

Hackensack High School

Attleboro, Mass.

Lambda Chi Alpha; A. B. Course; Friars, President (2).

A combination of Southern accent and New England brogue makes "Herb's" line one of the best on the campus. His interest in law, his fondness for chemistry, and his ambition for "big business," perplexes one as to what he'll be when he grows to be a "big boy."

ROBERT ESTON SNAUFFER, KΣ, Friars
"Bob"

Sunbury High School Sunbury, Pa.

Kappa Sigma; Electrical Engineering Course; Friars; College Band.

This boy comes from Sunbury, but of course we cannot hold that against him.—he is something different. "Bob" is a good student, a skillful musician, and a loyal Kappa Sigma.

HERMAN SNYDER, BK
"Red"

Bentleyville High School Ellsworth, Pa.

Beta Kappa; Chemical Engineering Course; Chemical Engineering Society, Treasurer (3); Class Vice-President (3).

"Red," the man of action, shames the lazy idlers and dreamers into activity by setting the pace himself.

ISABEL MARIE SNYDER
"Izzy" "Is"
Mifflinburg High School Mifflinburg, Pa.

A. B. Course; Sociological Society.

In Isabel, our class had at least one man-hater, but now even she has made an exception in the form of a uniformed State Policeman. Her original poetry, wit, jokes, and humor cause sensations at library tables where silence should be the Golden Rule. The only things she has to complain of are catching trains and climbing hills.

ALICE MINNIE SPOKES
"Spokesie" "Alicia"
Germantown High School Philadelphia, Pa.

A. B. Course; Freshman Choir (1); Girls' Glee Club (1, 2, 3); Secretary Women's Student Government Association (2); Education Club (3); Sociological Society (1).

Is it not sufficient evidence of her capability when it can be said of "Spokesie" that in addition to pounding a typewriter for the Registrar and acting as private secretary to Dean Clark, she still finds ample time to acquire new, and retain old friends?

EMIL SPOSATO, ΘΥΩ
"Spo"

Dormont High School

Dormont, Pa.

Theta Upsilon Omega; Pre-Medical Course; Sophomore Cotillion Committee; Junior Prom Committee; Freshman Track (1); Inter-Class Football (1, 2); Biological Society (1, 2, 3).

Oh, you mean "Spo!" For everyone knows this dark-haired pre-med of West College. He has been faithful to his class and university on the athletic field, while he has carried a tough course. His cordiality and interest in others have made him well known.

JOHN NICHOLAS STACK, ΦΛΘ
"Johnny"

Perth Amboy High School

Perth Amboy, N. J.

Phi Lambda Theta; A. B. Course; Sociological Society; Education Club; Sophomore Cotillion Committee; L'Agenda Staff.

"Johnny" has been an asset to the institution ever since the day of his arrival. He is an ambitious student and a generous friend. His ear-to-ear smile can drive away the worst attack of blues any man ever had.

HELEN GODDARD STEINHILPER, ΠΒΦ, C.E.A.
"Goddard"

Roselle High School

Roselle, N. J.

Pi Beta Phi; A. B. Course; C.E.A.; Student Executive Board (2, 3); Women's Student Government (3, 4); President (4); Y. W. C. A. Cabinet (2); Freshman Y. W. C. A. Commission; Debating Team (1, 2, 3); Rules and Constitution Committee (3); Hockey (1, 2); Tennis (1, 2).

She has held down many a hard job: she has succeeded with many a hard task. Where personality and capability are met with a real popularity, there you will find "Goddard" of the "Doabler Eight."

HENRY BARTO STERE, BK, ΗΜΕ, ΣΒΧ
Stere

Bellefonte High School

Bellefonte, Pa.

Beta Kappa; Chemical Engineering Course; Pi Mu Epsilon; Sigma Beta Chi; Chemical Engineering Society (2, 3). Secretary; L'Agenda Staff.

Someday, out in that industrial world of which we hear so much, men will come to recognize in Stere, traits of ability and true manhood which are the rare and priceless qualities belonging to but a very few.

FRANK SCIPIONE STORACI
"Terry McGovern" "Terrible Terry"

Trenton High School Trenton, N. J.

Pre-Medical Course; Biological Society (1, 2, 3); Coach Boxing Team; Track (1); Assistant in Chemistry.

"La-ad-e-e-s and Gentlemen, in this corner we have 'Terrible Terry McGovern,' boxer and gentleman par excellence. Indeed, the gentlemanly qualities of Frank would do credit to a Chesterfield. 'Terry' is bound to succeed when he quits his Alma Mater .

ARTHUR BURTON STUTZMAN, ΦΔΘ
"Stutz"

Johnstown High School Johnstown, Pa.

Phi Lambda Theta; A. B. Course; Sociological Society; Education Club; Der Deutsche Verein.

This little-big man from the Flood City has an irresistible personality and makes friends wherever he goes. His craving for action leads him into all sorts of novel adventures.

CLYDE MALVERN STUTZMAN, BK
"Stutzy"

Williamsport High School Williamsport, Pa.

Beta Kappa; Pre-Medical Course; Biological Society (1, 2, 3).

"Stutzy" has elected the pre-med course and some day expects to render aid to humanity through the medical profession. His quiet, diligent, conscientious nature, fits him, we feel, to this work.

ROBERT NYE TATE, BK
"Bob"

Allenwood High School Allenwood, Pa.
Milton High School

Beta Kappa; Mechanical Engineering Course; Mechanical Engineering Society; Big Four.

"Bob" is a real chap, and despite the fact that he is an engineer, his cultural education has not been neglected, due to the influence of a certain young lady from Watsontown.

MARY ELEANOR TAUBEL, ΦΜ

Mary

Norristown High School

Norristown, Pa.

Phi Mu; A. B. Course; Freshman Y. W. C. A. Commission; Student Executive Board (2); Sociological Society (1, 2, 3); Junior Prom Committee.

Happy-go-lucky Mary! Her room is the meeting place of all second floor Harris Hall, which is saying something. This brown eyed treasure is being jealously guarded by a watchful member of T. U. O.

MARY CARTER THOMAS, ΚΔ

"Toots"

William Penn High School, Philadelphia, Pa.

Mahanoy City, Pa.

Kappa Delta; A. B. Course; Frill and Frown (1, 2, 3); Education Club (3); Sophomore Cotillion Committee.

A big noise from a little girl with a pretty laughing face! Keen wit effervesces from a brilliant mind, and personality sparkles around her. Popularity? It doesn't miss, in "Toots" of the "Doabler Eight."

MARY BLAIR TYLER, ΔΔΔ

Mary

Altoona High School

Altoona, Pa.

Delta Delta Delta; A. B. Course; Women's Student Executive Board (2); Sociological Society (1, 2).

"Blest with that charm, the certainty to please." Mary is one of those all-around girls.—a delightful combination of sweetness, kindness, humor, and seriousness. She has proved herself to be a jolly pal and a true friend to all who know her.

FRED VINCENT VITALE

"Shorty" "Suits"

Scottdale High School

Scottdale, Pa.

A. B. Course; Ministerial Association (1, 2, 3).

"Shorty" thinks he is quite a poet, and can be seen declaiming with gusto before his imaginary audience. But we always listen quite patiently to his efforts for we like "Shorty's" ever-present attitude of determination.

MARTHA ELIZABETH VON NEIDA, ΦΜ

"Martie"

Hartley Township High School

Laurelton, Pa.

Phi Mu; A. B. Course; Education Club (2); Biological Society (3); Student Education Board (3).

"Martie" is a true friend for she has never been known to pass up a chance to help anyone. Her disposition is as cheery as a bubbling teakettle. Jokes—she surely knows her share. Her curly head is brimming over with so much mischief that we may say "Laughter" and "Martie" are synonymous.

ALTA MAE VOSBURG

Alta

Newton High School

Clark's Summit, Pa.

A. B. Course; Sociological Society (2, 3); Der Deutsche Verein; Glee Club (1, 2, 3).

*"I cannot tell, not I, why she
So meek and quiet seems to be
To others; I cannot tell you why
When we two tramp beneath the sky
Of spring, her air of sweet dependence fades.
Her spirit flames among the forest glades
Until the gloom of four-walled rooms
Reduces it to mild simplicity.
I cannot tell, not I."*

ALICE CATHERINE WAGNER, ΔΔΔ

"Kitty"

Connellsville High School
Carnegie Institute of Technology

Smithton, Pa.

Delta Delta Delta; A. B. Course; Education Club (2).

Quite often we have seen "Kitty" hurrying to and from the Home Economics room. From observing her mail we are inclined to believe there is a very particular reason for her working so diligently. A truer friend than "Kitty" can not be found.

DOROTHY WAGNER

"Dot"

Mifflinburg High School

Mifflinburg, Pa.

A. B. Course; Sociological Society.

Most men twist their necks a bit more than is necessary when "Dot" passes. These stares mean little to this dainty lady, her interests being distributed among English classes, Math problems, and high school professors.

MARY CATHERINE WAGNER, ΦΜ

"Mary" "Wag"

Berwick High School

Hartleton, Pa.

Phi Mu; A. B. Course; Freshman Y. W. C. A. Commission; Class Hockey (1); Frill and Frown (2, 3); Belle Hop Staff (3); Bucknellian Staff (3); L'Agenda Staff (3).

Are you feeling blue today? Try a dose of Mary's humor.—it's a sure cure! In her Freshman year late parties at Doabler were her specialty; now State parties give her the inspiration for her poetic flights, and her artistic accomplishments. Clever, versatile, witty—actress, artist, journalist, poet—Who but Mary?

HAROLD ELLSWORTH WALDNER, ΣΧ

"Mike"

Ashland High School

Ashland, Pa.

Sigma Chi; Civil Engineering Course; Civil Engineering Society (1, 2, 3); Big Four.

It seems that Bucknell's roster would not be complete without a Waldner on it. "Mike" is the fourth son of that illustrious family to seek his education here, and he is seeking it with the same tenacity of purpose which marked the student days of his brothers. "Mike" is a very quiet and calm chap, but possesses underneath this calmness a very opulent bit of human nature known so well to his friends.

MARGARET WALLACE, ΑΧΩ

"Peggy" "Peg"

Wyoming High School

Wyoming, Pa.

Alpha Chi Omega; A. B. Course; Symphony Orchestra (1, 2, 3), Treasurer (3); Class Basketball (2); Sociological Society (3); Education Club (3); Class Hockey (3); Spanish Club (3).

"Peggy" never does things by halves—perhaps that's the reason we see her playing a cello instead of a violin. This modest maid has applied her guiding principle, a whole-hearted attitude, to studying as well as to making friends. As a result, she has a string of Aces for both.

KIRBY WALLS, ΣΑΕ, Friars

"Tex"

Amarillo High School

Washburn, Texas

Sigma Alpha Epsilon; Civil Engineering Course; Friars; Freshman Football (1); Varsity Football (2, 3); Freshman Track (1).

Because of his unfailing good humor and his readiness always to do a good turn for someone, "Tex" has made a warm place for himself in the heart of every Bucknellian.

ALBERT GEORGE WEIDENSAUL, ΦΓΔ, ΣΓΔ, ΦΜΔ
"Al"

Lewisburg High School

Lewisburg, Pa.

Phi Gamma Delta; A. B. Course; Sigma Tau Delta; Phi Mu Alpha—Sinfonia, Treasurer (2); School of Music, Assistant to the Director; Inter-Collegiate Glee Club Contest; L'Agenda Editor for the Music School; Sociological Society (1, 2); Bucknell Book of Verse; Junior Prom Committee.

This remarkable young man is truly an enigma for he is an "A" student, a vocalist, a pianist, a poet, and as yet has shown no signs of being "cracked." He believes in the adage, "Variety is the spice of life."

EDWIN WALLACE WILKINSON, ΦΓΔ
"Wally" "Tish"

Williamsport High School

Williamsport, Pa.

Phi Gamma Delta; A. B. Course; Kent Pre-Legal Club, Treasurer (2).

In spite of his unbroken string of "A's," this titian-haired youth finds plenty of time for knocking the females for an absolute zero. However, the women do not take all of his time, as is shown by his popularity with the boys, who always know where to look for a kindred spirit when anything is "doing."

EMILIE ELEANORE WILLIAMS, ΣΤΔ
"Em"

Johnstown High School

Greensburg, Pa.

Sigma Tau Delta; A. B. Course.

If you have never met Emilie you are bound to ask who that sweet, smiling young lady is. "Em" has already made for herself in the English Department an envious name which is going to be mighty hard to beat.

JAMES GRIFFITHS WHILDIN WILLIAMS, ΚΣ, Druids
"Jim"

Lansford High School

Lansford, Pa.

Kappa Sigma; A. B. Course; Druids; Debating Team (1); Winner of Freshman Declamation Contest; L'Agenda Staff; Freshman Hop Committee; Sophomore Cotillion Committee; Junior Prom Committee; Winner of the Eastern Inter-Collegiate Oratorical Contest.

"Jim"—a loyal supporter of the Anthracite Miner—would rather dance than eat.

MARY MILES WILLIAMS, ΦΜ

"Mary"

Dickson City High School

Olyphant, Pa.

Phi Mu; A. B. Course; Class Hockey Team (1); Girls' Glee Club (1, 2, 3); Frill and Frown (1, 2, 3); Education Club (2, 3).

Huge brown eyes, a "candy nose," an infectious giggle! Mary is one of the big women on the campus.—we should say immense! A Phi Gam pin keeps any mischievous breeze from blowing her away.

ELEANOR WINSLOW, ΠΒΦ

Eleanor

Punxsutawney High School
Hood College

Punxsutawney, Pa.

Pi Beta Phi; A. B. Course; Education Club (3).

Eleanor's fondness for dancing is surpassed only by her ability in this Terpsichorean art. The quiet, happy ways of this attractive member of our class have gained her many friends,—especially those of the masculine gender.

JEAN HARRIS WOOD, AXΩ

Jean "Jeanie"

Johnstown High School
Schenley High School, Pittsburgh
Lafayette High School, Buffalo, N. Y.

Chicago, Ill.

Alpha Chi Omega; A. B. Course; Student Executive Board (2); Class Hockey (2); Women's College Editor of the Bucknellian (3); L'Agenda Staff (3); Education Club (3); Bucknell Book of Verse (1); Secretary of the Girls' Class (3).

Everyone just naturally falls in love with "Jeanie." Besides her power to capture hearts, we find an extraordinary amount of journalistic ability and ingenuity. Little Jean seems to excel in everything to which she turns her hand.

LOUIS EARL WOODRING, ΣΧ, Druids

"Woody" "Til"

Reynoldsville High School

Reynoldsville, Pa.

Sigma Chi; A. B. Course; Druids; Freshman Football (1); Varsity Football (2, 3); Freshman Basketball (1); Varsity Basketball (2, 3); Freshman Baseball (1), Captain.

The unassumed air of a gentleman dominates this character,—and how! "Woody" simply gets across with a potential something called personality. A versatile athlete, but especially a wonderful cager, so good, in fact, that Bucknell would have witnessed many a defeat without him.

DOROTHY LOUISE WRIGHTNOUR
"Dot"

Scranton Central High School
Marywood College
Sweet Briar College

Scranton, Pa.

A. B. Course; *Hockey Team* (3).

Here is a disposition as good as gold and as warm as its possessor's crown of red hair. But what's left for us of jolly "Dot" when her heart is still at Sweet Briar, and her main interests are centered about V. M. I., and Washington and Lee?

FAY ADELAIDE YORDY
Fay "Fayette"

Shamokin High School

Sunbury, Pa.

A. B. Course; *Education Club* (2).

A quick, foreign gesture of the hands, and a "parlez-vous français?" characterize this charming mademoiselle. Fay is not French, but just one of "Ben's" stars. Her knowledge of the "dead language" proves that she is one of "Bally's" prodigies also. Fay does everything wholeheartedly, and proves to be a jolly good pal.

JACOB WILLIAM ZANG
Zang

Hazleton High School
Rensselaer Polytechnic Institute

A. B. Course.

It is a difficult task to keep two churches going, support a wife and family, and get an education, yet here we have a man who is doing just that. Zang's willingness to help anyone with anything at any time reveals to us why he is being successful in his ministerial work. That he has recently completed building operations on a new church shows the worth of the man.

MARGARET WEBB ZERBY, ΔΔΔ
"Peg"

Beechwood School Jenkintown, Pa.

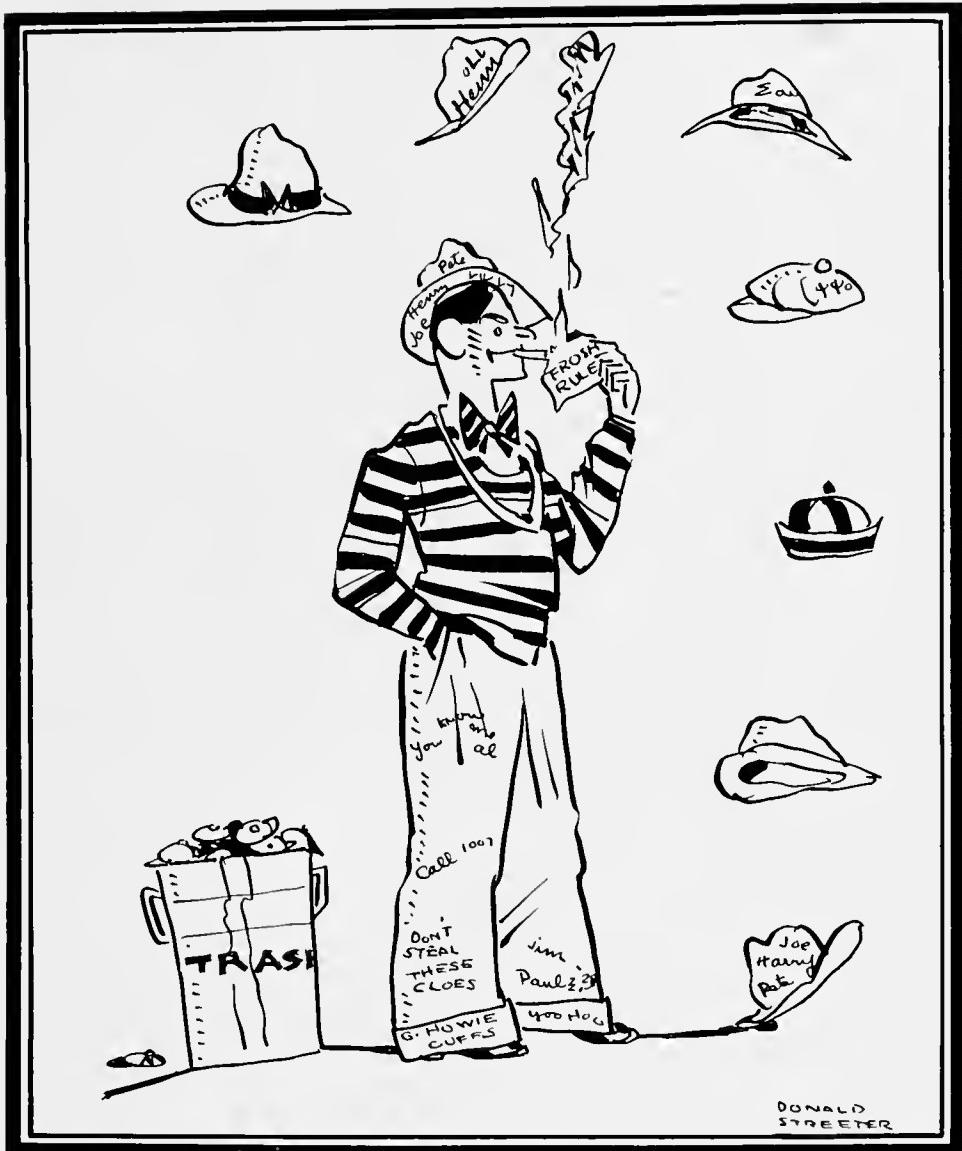

Delta Delta Delta; A. B. Course; *Pre-Medical Society* (1, 2); *Sociological Society* (2); *Hockey Team* (1, 2, 3).

A good-natured smile for all, and a broad grin for the others,—that's "Peg!" Her talkativeness and wittiness make her popular with all who know her.

Sophomore Class History

"**L**IFE is a pure flame, and we live by an indivisible sun within us." One-half of our time here has flown—the other half remains in store for us with all its countless treasures: for there is no drawn line, and we see no limit to our hopes, wishes, and ambitions. We cannot see our end here for it is hid by the crowd and hurry of approaching events.

It is impossible to set forth here the many eventful happenings in our history thus far. All that can be said is we have done to the best of our ability everything set before us. Not satisfied with that alone, we have started many things on our own initiative. When we were Freshmen we were "meek" and "mild," as Freshmen are supposed to be. As a result of our "activity" more rules and customs were added to the "Frosh Laws."

We look backward with contentment; forward with calculation. We must prepare ourselves now for the difficulties as well as the pleasures that are ahead of us. A future built on a strong foundation can be only a propitious one.

Freshman Class History

WE are the green Frosh, but green is the color of life. Our fates have been decided by the domineering Sophomores, but, with all our greenness we don't mind being bossed, for we are thinking of next year's poor insignificant Frosh. We will do the domineering then!

Though we are green, we have proved ourselves not lowly. Our victory over the sophomore army in the annual class rush became a massacre, while we claim a moral victory—some of us say an actual victory—in the annual inter-class football match. We have no alibis to offer in defending our good name from those who recall our defeat by the Sophomores in basketball; we merely chose to mete out one victory to them as their share.

Ours is one of the largest classes that old Bucknell has ever admitted, and our activities and consequent good works, in due justice to ourselves, have been numerous. As yet we claim no geniuses or world-beaters, but we promise to develop some before we are graduated.

One thing we realize: that it is our place to be boosters, to make this a bigger, better, more satisfying Bucknell. We must see that there are no shirkers in our ranks, but that the true spirit of the Class of '31 pledges itself to progress.

ACTIVITIES

Senior Council

This body of seniors is recognized as the highest authority in student activities and government, subject only to the President of the University. The council is composed of the presidents of thirteen fraternities and a representative of the unorganized group. Meetings are held bi-monthly. The president and vice-president of the senior class preside at meetings and are assisted by two other officers elected by the council.

Women's Student Senate

The Student Senate consists of two representatives from each women's social group on the campus. There are seven seniors, five juniors, and four sophomores who are elected by all women students. The president, a senior, is elected by popular vote at the beginning of her junior year. These women interpret the constitution of women's student government.

Inter-Class Council

In its third year, the Inter-Class Council has been carrying on the work of policing the college and campus. The council itself is composed of two representatives from the senior class, four from the junior class, and three from the ranks of the sophomores. These men, with the president of the freshman class acting as errand boy, meet every Monday night to remind the freshmen that the traditional rules of the school are not so bad, and that they really should be observed. Their methods of enforcement are very effective and lasting—ask any freshman.

Bucknell University Band

The Bucknell Band, carrying a personnel of forty-eight students, supports the football team at home and accompanies it to the big games of the year. The band has received favorable comments from many radio fans, after successful concerts broadcast from WJBU, Bucknell's broadcasting station. In addition, the organization lends valuable support to many college functions, which include Convocation exercises and the annual Commencement.

Men's Debating Teams

Victories over Ursinus, Rutgers, Temple, Purdue, Kalamazoo, and the British Union Team have to date marked the 1927-1928 season as one of the most successful in the history of Bucknell's debating relations. The Bucknell-Temple debate marks the second Bucknell debate chosen by the H. W. Wilson Company for publication. The greatest victory lies in the spirit of the debaters. While this remains, Bucknell cannot be defeated.

Cap and Dagger

Cap and Dagger, the men's dramatic society, was founded in February, 1906. The object of this organization is to create an active interest in, and to foster the production of dramatics; to train its members in the art of acting; and to lead the student body of Bucknell University into an appreciation of the best that the field of drama affords. The members of Cap and Dagger are chosen by open competition in the fall of each year; the student membership of the organization never exceeds fifteen. Two standard three-act plays, and one group of one-act plays are attempted each year. For the last three years, a one-act play has been sent, in co-operation with Firl and Frown, to the Pennsylvania Intercollegiate Dramatic Association Contest. The first play received second prize, and the last two plays have received honorable mention.

Y. M. C. A.

The "Y" has been working very quietly but effectively this year. Besides performing the customary activities, such as sending out deputation teams, bringing in speakers, and organizing discussion groups, it has added other activities to its list. It was the instigator of the Inter-Fraternity Soccer League, and has provided a cup for the winner. New features have been added to the budget.

Members of the Freshman Cabinet, which functioned very effectively the first semester, were given the opportunity to sit in at the meetings of the Senior Cabinet the second semester.

The chief aim of the Y. M. C. A. is to make Bucknell a better place in which to live, by the influence of the personality of Christ.

The Big Four Engineering Society

The Big Four Engineering Society is composed of the Civil, Mechanical, Electrical, and Chemical Engineering Societies. Each society retains its individuality, but all work together upon projects which cannot be handled by the separate societies.

The prime purpose of the society is to further interest in extra curricular knowledge in engineering. Lecturers of note are engaged during the year, and all topics of general interest are dealt with by the Big Four. Social functions are held by the society during the year.

The governing body is the cabinet formed by two students and one faculty member from each of the engineering societies.

In 1852, the American Society of Civil Engineers was instituted for the purpose of advancing engineering and architectural knowledge and practice, maintaining a high professional standard among its members, encouraging inter-communication among civil engineers, and establishing a "central point of reference and union for its members."

The local chapter was installed in October, 1921.

The Student Branch of the A. S. M. E. provides a medium through which the student in Mechanical Engineering may more readily understand the practical application of the theories and laboratory experiments which are developed in the regular curriculum, and it enables the members to become acquainted with those actively engaged in the profession. It is hoped that the "mysteries" of engineering will be solved by plant visitations, by contact with established engineers, and by frequent opportunity to discuss before an audience those engineering problems which carry the greatest appeal to each student.

American Institute of Electrical Engineers

The American Institute of Electrical Engineers is the national organization representing the electrical engineering profession. It was founded in 1884, when the possibilities which might follow from an organization which would foster and encourage electrical development were beginning to be realized. The objects of the Institute are the advancement of the theory and practice of electrical engineering and of the allied arts and sciences, the maintenance of a high professional standing among its members, and the development of the individual engineer.

On May 17, 1910, the board of directors of the American Institute of Electrical Engineers authorized the establishment of a branch at Lewisburg to be known as the Bucknell University Branch of the American Institute of Electrical Engineers. Some of the major activities of the branch are as follows: technical meetings at which papers are presented and lectures given by men prominent in the profession, educational motion picture entertainments, special laboratory demonstrations, joint meetings with other branches, inspection trips, and electrical shows.

Chemical Engineering Society

The Bucknell Chemical Engineering Society is composed of all those students, enrolled in one or more of the courses in the chemical engineering department, who have expressed their desire to become better acquainted with some of the applications of chemistry to the industrial field. In general, it is the purpose of the society to afford an opportunity to develop individual research into the literature of industrial chemistry. At meetings held once a month, papers are read by members of the society, by professors from the departments, or by speakers invited from outside Bucknell. These papers deal with chemistry and its applications to various industries.

May Day

THE choosing of the May Queen is a tradition at Bucknell. She is a senior elected by the popular vote of the women students. Her identity is kept secret until she appears as queen. The past year, May Day was held on Saturday, May twenty-fifth, and Kathryn Mary Smith, of Nanticoke, was crowned queen.

The ceremony was performed on the campus opposite the home of President Hunt. A large canvas stretched between the trees provided the background for the natural stage and for the platform erected for the queen.

Previous to the coronation was given a masque entitled "The Conflict," which was directed by Miss Alma M. Ebeling, instructor of physical education. The theme of the masque centered about Humanity, who, after being besieged by the evil spirits of civilization, was finally restored to health by the spirits of exercise. Grecian, Roman, Spanish, Dutch, peasant, and clown dances were included. At the conclusion of the masque, Humanity, wearing the robe of knowledge was seated on the throne.

The second part of the program began with the entrance of the queen's procession which consisted of four pages, the queen, and twelve attendants. Humanity placed a crown of flowers on the queen's head and the robe of knowledge on her shoulders. The participants of the masque performed in a grand finale before the newly enthroned queen.

ATHLETICS

Review of Athletics

FOOTBALL! The bands playing, festive colors flying, crowds madly cheering! Game after game found the Bucknell Bisons thundering against their foes until victory was certain, and when the season terminated Bucknell had chalked up seven victories to three defeats. Truly, the coaching of Snavely and Hangartner had been effective.

A shrill of the whistle! And the Bucknell quintette had scored another goal and victory. This was the routine of the basketball season. Out of twenty-one games played, the Orange and Blue was credited with sixteen victories, a worthy tribute to the efficient coaching of John Plant.

Tennis! A sport well worth praise if six straight victories mean anything to Bucknell!

Track! The steady beat of spiked shoes, the "just a little bit more spirit" typical of Bucknell teams, and the season closed with Bucknell again victorious.

Baseball, though not so successful in 1927, showed great promise of a successful season for 1928.

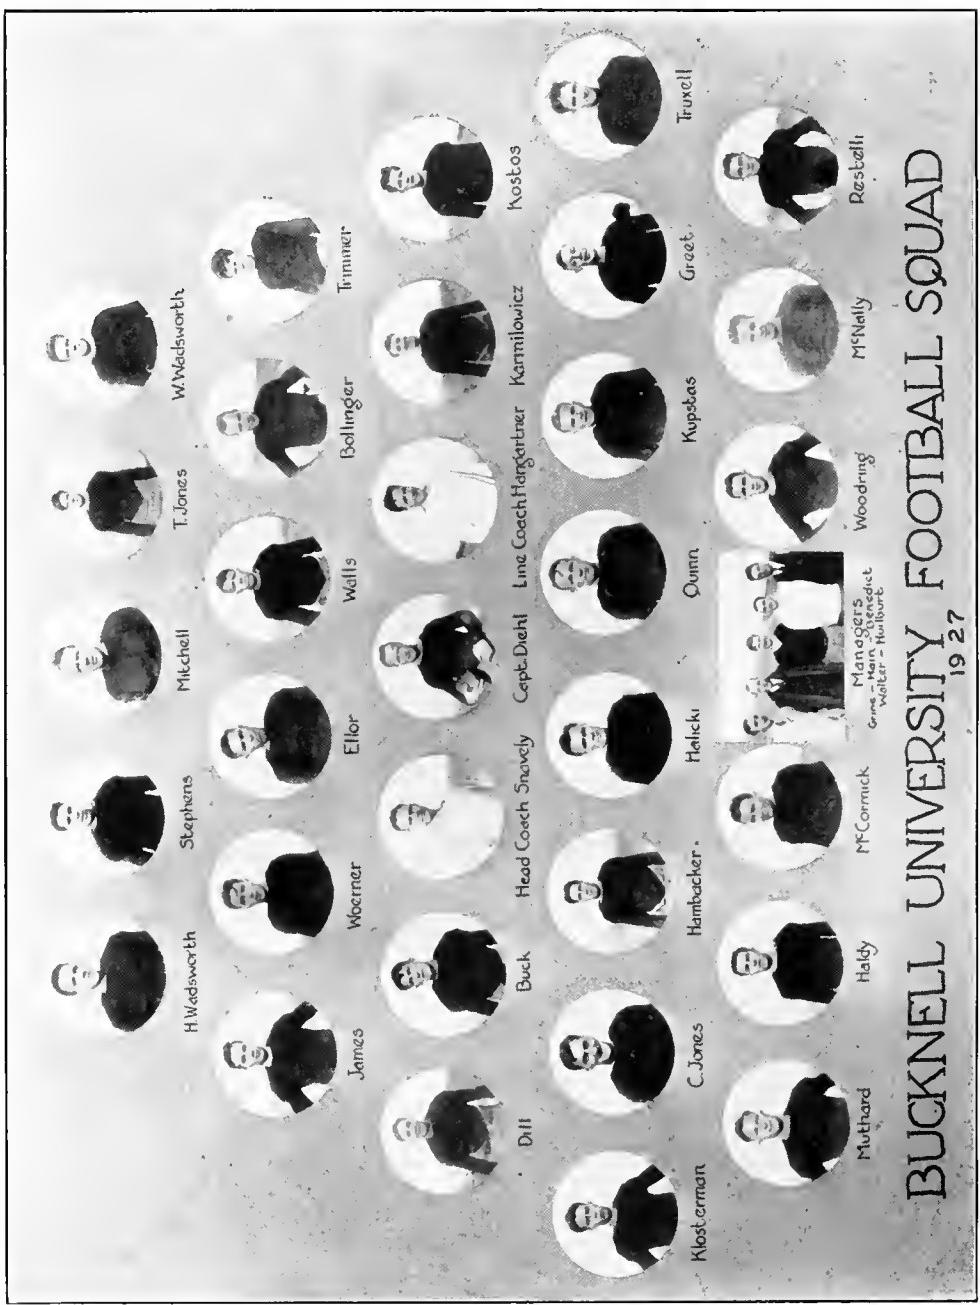

Mass athletics has taken a great stride in Bucknell this year. Inter-fraternity and class soccer created marked interest, while boxing displayed knights of the padded mits who were successful in tilts with Rutgers and Temple. Physical education for underclassmen rounded out the program. And now we are looking forward to the successful completion of plans for a Bucknell golf course, and beyond, we have visions of the Christy Mathewson Memorial Gymnasium.

Coach Carl Snavely

The BIG REASON why Bucknell realized a successful football season! In Snavely we find a cheerful, energetic, and skillful teacher, a mentor football coach, and a man always willing to co-operate with the student body. With such a man at the head of our coaching staff, Bucknell is eagerly expectant of a great future on the gridiron.

Bucknell 43 - Susquehanna 7

Coach Carl G. Snavely's 1927 Bucknell University football team made an impressive debut in the opening game of the season. Under a hot sun, in the Bucknell Memorial Stadium, the Bison's Thundering Herd bore the "Susqui" boys for repeated losses. The visitors, blinded and choked from the onslaught of the concentrated line gorings of Snavely's new outfit, found, when the dust had settled, that the Orange and Blue had been credited with six touchdowns to their one. Halicki had the honor of registering Bucknell's initial score of the year. The sensational runs of Quinn, C. Jones, and McCormick gave the early season game a few dashes of color which stimulated anticipation for the more thrilling games to be realized later in the season.

Bucknell o - Geneva o

Ready for a real test of their ability, Snavely's Bisons encountered the Geneva pack in the Bucknell corral. Geneva, eager for the taste of victory, found the Bucknell Bisons just as dangerously aggressive. Both teams fought desperately to score during the first half of the game, but without avail. Diehl, Bucknell's favorite, was withdrawn because of injuries. The second half found both teams battling desperately to gain an advantage. When the fray ended, though the score was 0 to 0, Geneva had staged the sensational with her aerial attacks, while Bucknell had proved the most subtle with her football strategy. C. Jones, Trimmer, Halicki, and Quinn were four good reasons why Bucknell's playing was impressive.

Bucknell 13 - Penn State 7

Eight hundred football crazed Bucknellians and a determined Bison team carried the fighting spirit of Bucknell to Penn State's Memorial field on October 8th. From the first play Bucknell proved to be an aggressive, well coached team. Never could State stop the runs and plunges of the maddened Bisons. Not once did the Orange and Blue rooters check their roaring cheers. A scoop of the ball and a frenzied rush of the Thundering Herd, a terrific struggle, and the Nittany Lion lay flung for another loss. Never will be forgotten the pile-driving smashes of Captain Diehl, the phantom elusiveness of Quinn, and the irresistibility of Snavely's battering ram which moved always down the gory field to "Beat State." At last Bucknell had opened her bag of football strategy and had withdrawn that predestined crepe from her own body to drape it on State's humbled shoulders.

Bucknell 28 - Villa Nova 12

Trampling their opponents beneath their stampede, the Bisons, mighty as they were merciless, crushed Villa Nova 28 to 12 in a game that was spectacular, dramatic, and thrilling from the opening to the final blast of the whistle. The game was played at Scranton.

The Orange and Blue warriors were invincible on the sod; they were omnipotent in the air. So great was the Snavely team power that the offensive was as the deadly march of an irresistible steam roller that flattened its foe at every turn.

Quinn again proved himself to be the same will-o'-the-wisp, while Halicki was a tower of speed and strategy against the opposing team. Captain Diehl, burly Goliath of the gridiron, was like a demon incarnate, and his smashing drives, combined with the team's strength, made possible the steady march to another Bucknell victory.

Bucknell 34 - Gettysburg 0

The sensational Bucknell eleven continued its triumphal march when it defeated the Gettysburg warriors at the Bucknell Memorial Stadium, October 22nd. Before a crowd of seven thousand football fans, the Thundering Herd displayed their prowess in downing the fighting soldiers. The backfield combination—Diehl, Halicki, Quinn, and Hambacker—gained at will, ripping and crashing its way to victory.

In the second half the entire first team was replaced by a team of fighting scrubs whose plucky fight and spirit held the "Bullets." Bucknell showed that she had a team coached by a master, and her deceptive running attack proved that Snavely is a mentor football coach.

Bucknell o - Army 34

For the first time in her 1927 football stampede, the Bison's Thundering Herd met defeat when the Army team whipped the superb Herd into submission on the plains of West Point, October 29th.

The Bisons, with lowered heads and a desperate defense, met the sabre thrust attacks of the Cadets. It was, however, the alertness which the Army displayed in capturing fumbles that stunned the Orange and Blue team, and sent it down to bitter defeat in a game which the Bisons were conceded a splendid chance of winning. Although the Army had but six first downs to Bucknell's eighteen, she proved to be the superior team on the gridiron, and Captain Diehl and his teammates were forced to accept defeat.

Bucknell 20 - Lehigh 6

The Bisons annexed their fifth football triumph at the expense of Lehigh, November 5th, on the Taylor Stadium field in Bethlehem. The Orange and Blue, bitter for revenge after the defeat by the Army, rose to great heights to outplay and outgain the Lehigh eleven. Bucknell easily pushed a touchdown across in each of three periods—it was through the excellent punting of Captain Diehl that the first two scores were registered. In the latter part of the game the entire first team was relieved by the second string men, who gored the Bethlehemites in true Bison fashion. It was in only the last few minutes of play, that the Lehigh rooters found an opportunity to cheer, when Miller, a Lehigh tackle, snatched up a fumble deep in Bucknell's territory and skipped fifteen yards for a touchdown.

Bucknell 3 - W. & J. 19

Homecoming Day—and fourteen thousand football crazed fans saw the fighting Presidents side step the mighty charges of the Bisons and jab their spears home, across the Thundering Herd's goal line for three touchdowns. It was a placement kick in the first two minutes of the game, from the educated hoof of Halicki, that drew first blood for the Bisons. The Presidents, gored to a frenzy by the spectre of defeat, cut across for a goal shortly afterwards. From then on it was anybody's game. The playing of both Quinn and Diehl was heady and devastating. The Presidents had to fight mightily to keep the Thundering Herd from breaking loose and stampeding into an orgy of touchdowns. The strongest factor of W. and J.'s conquest was its perfected aerial attacks, and for Bucknell it is a story of last ditch stands that equal any in football history.

Bucknell 13 - Temple 19

Grim and gripping was the spectacle of the battle between the Bisons and Temple, at Franklin Field, November 19th, 1927. With power and brilliance the Cherry and White team put forth the drives necessary to secure three touchdowns during the first three periods of the game. The Bisons, three touchdowns behind, called on their reserve of stamina, and with thundering hoofs and lowered heads they charged again and again, in a last desperate effort to score two touchdowns in the final quarter. Captain Diehl, Bucknell's ace, drove both touchdowns across, while Halicki's talented toe gave the Orange and Blue the extra point. Quinn and Hambacker wrought destruction whenever they charged, and Bucknell's team was moving aggressively and irresistibly when the umpire's horn sounded armistice across the field.

Bucknell 46 - Dickinson 0

On Thanksgiving Day, in a quagmire of mud, the Bison's Thundering Herd tore the Dickinson team to shreds. From the opening shrill of the whistle, Snavely's Bison aggregation found the going rather easy, and Bucknell's smooth working backs were ever featuring the sensational with long runs. It was, however, the work of Bucknell's interference that proved spectacular and which paved the way for Bucknell's scoring. Quinn and Halicki were supreme in staging long, piercing runs. Captain Diehl, McCormick, Trimmer, and Karmilowicz, stars throughout their four years of playing, finished gloriously their last game for Bucknell. Truly, these football aces, together with the other members of the team, have staged one of the greatest seasons in football that Bucknell has ever experienced, and it is with no little regret that we see these four men terminate their football career for the Orange and Blue.

WALTER DIEHL

EDWARD HALICKI

Another Big Reason why Bucknell established such a glorious football record during its 1927 football season. "Wally's" sensational playing, his splendid leadership as captain, and that admirable quality of being a man in victory or defeat merits him a prominent place in Bucknell's Hall of Fame. It is with deepest regret that we see "A Good Diehl" graduate from our University.

To "Eddie", our 1928 football captain, we confidently entrust our hopes for another splendid record on the gridiron. "Eddie" is a man with a talented toe, an unusual reserve of stamina, the dash and elusiveness of a phantom, and personality that merits the friendship of everybody. What more could we wish for? Here's to you, "Eddie"! We know that with our support you are coming through with a string of football victories in 1928.

A team that had Captain Archie Seiler as a nucleus and John Plant as coach! With such a combination, what could stop Bucknell from having a team that was anything but a winner on the basketball court?

A zipping pass, a quick twist, and another goal was chalked up for Bucknell! Sixteen victories and five defeats is a record that represents Bucknell's claim to a leading place among basketball teams of the Central East.

Incidentally, the team developed a spirit that was not easily discouraged in the face of injuries, numerous wearisome trips, and scholastic difficulties.

Those men who made the basketball team an impressive factor were: Captain Seiler, Bennett, Halicki, Frable, Klosterman, Woodring, Wadsworth, Thomas, Kammitz, and Rabinovich. With the exception of Frable, all of these men will be back next year to form one of the best basketball teams Bucknell has ever had, we hope.

A call from Coach Musser for yearling candidates brought response from many high school and prep school stars.

The season, although not resulting in an overwhelming success for the Bucknell Freshmen, was terminated with an even break. Much of the success of the team can be attributed to their ever fighting Bison spirit and to the talented coaching of "Mal" Musser.

The squad was composed of Captain Ammerman, Ross, Ware, Thompson, Jeffries, Lobel, Walters, Beckley, and Mitchell. When John Plant calls for varsity candidates next year these men are sure to give a good account of themselves.

The 1927 season might be termed unsuccessful judging from the scores of the games, yet upon further consideration it does not appear to be a failure, for baseball was handicapped by a squad of only ten men. If we were to add that our northern season was very slow in opening, due to weather conditions, and that we played a majority of our games with southern colleges, we may be proud of the uphill fight which the team made. It was with true Bison spirit that our baseball team threw aside discouragement and made a good showing at the end of the season.

The future for our team seems to take on a rosier hue when we consider that most of our players were sophomores and juniors who with last year's experience on the diamond and with Snavely as their new coach should certainly bring victory to the Orange and Blue in 1928.

Track

WALTER DIEHL	<i>Captain</i>
LLOYD TRIMMER	<i>Captain-Elect</i>
JOHN SHEPPARD	<i>Manager</i>
JOHN PLANT	<i>Coach</i>

The 1927 track season resulted in an even break for Bucknell and a marked stride in the direction of improvement under the successful coaching of John Plant.

Little can be said of defeats or of victories in the four meets which were participated in by Bucknell. However, at the Pennsylvania Relays, the Orange and Blue made an impressive showing in the quarter mile relay events, while Diehl also made his presence appreciated by heaving the shot for a counting place.

The Central Pennsylvania Meet was the most colorful track event of the season. The Bisons romped neck and neck with the Gettysburg team for first place, and it was only with a two point lead that Gettysburg returned home victorious. The colleges which were represented in the meet as class A institutions were Muhlenberg, Dickinson, Gettysburg, and Bucknell. It was the good work of Lloyd Trimmer, John Farrow, Grier Riemer, Walter Diehl, Kimball Miller, and "Bud" Frable that made Bucknell an impressive figure at the Central Pennsylvania Meet.

As in previous years, Bucknell enjoyed a successful tennis season. In all the matches played, Bucknell was victorious—a remarkable record! Triumphs were registered over Franklin and Marshall, Dickinson, Gettysburg, Juniata, and Penn State. Perhaps the most thrilling match of the season occurred as a result of the fast pace set by Bucknell when she tipped off Penn State by a straight victory in the double matches, after honors had been divided at 3-3 in the singles.

The loss of Captain Rudisill is a serious handicap in the 1928 season, yet the prospects are bright, for we yet have with us Frost, Ballentine, Riesmeyer, Zortman, and DeFillipo, all of whom are sensational figures with the racket.

SOPHOMORE CLASS SQUAD

Frosh-Soph Football Game

Before the biggest gathering that has ever witnessed a class game in the last few years at Bucknell, the Frosh and Sophs battled to a scoreless tie on Loomis Field. Kozik, Thompson, Pierson, and Fervo were the outstanding stars on the freshman team, while Volpe, Crago, Ebner, and H. Trimmer staged the sensational for the sophomores.

Delta Sigma

On January 27, 1899, with a charter membership of seven men, there was founded the Demosthenean Club, a literary organization whose chief aim was primarily the fostering of literary excellence and oratory. By the year 1901 some individuality as an organization had been developed, and on May 11, of that year, the present name and insignia was adopted. The pledge button is a black disc upon which appears a gold trumpet.

Theta Alpha Phi

Theta Alpha Phi, honorary national dramatic fraternity, was founded at Oklahoma A. and M. College, in 1919. Bucknell was the first to secure a chapter in this state, that event coming the same year that the organization was founded. The national organization has enjoyed rapid expansion until it now has sixty-four chapters in all parts of the country. Membership in this fraternity is the highest honor that can come to the undergraduate in the field of dramatic endeavor.

Tau Kappa Alpha

Tau Kappa Alpha, national honorary oratorical and debating fraternity, was established at Bucknell in 1920. Wherever the key is found, it stands for recognized merit, for membership in the society is granted only for outstanding achievement in the field of oratory or debate, plus unquestioned standing in the active life of the college community. The Bucknell chapter has received honorable mention from the national headquarters for its outstanding efforts in the two fields over which Tau Kappa Alpha rules supreme.

Pi Delta Epsilon

Pi Delta Epsilon, national honorary journalistic fraternity, was founded at Syracuse University in 1909. Since that time the fraternity has expanded until in 1928 it has forty-four chapters. Its aims are: to improve undergraduate journalism by affording its members the opportunity of co-operation and unrestricted discussion, to set up standards of practice and a code of ethics, and to bring together professional and college journalism. The Bucknell chapter was installed in 1924. Upper-classmen who have served two years on a campus publication and have attained an editorship are eligible for membership.

Druids

The national sophomore honorary society, the Druids, was installed at Bucknell on March 20, 1926, when the local chapter of Theta Delta Tau transferred to this newer organization. Membership in the society is obtained through the selection of fifteen men from the freshman class at the close of the school year. The members are selected for their recognition and popularity gained on the athletic field, in the class room, and in the general life on the campus.

The other chapters are located at Penn State, University of Pittsburgh, Carnegie Institute of Technology, Washington and Jefferson, Dartmouth, University of Delaware, and Lafayette College.

Friars

The Friars, national honorary sophomore fraternity, was installed at Bucknell on April 9, 1927, when Phi Delta Sigma, honorary upper class fraternity, transferred to this organization. The Friars was founded at Penn State where the strongest chapter is now active. Membership in this fraternity is gained through the selection of fifteen outstanding men of the freshman class who, through their activities, have gained recognition and popularity in athletics and on the campus, as well as in the class room. They are chosen at the end of their freshman year. During the past three years, members of the society have been selected from Phi Kappa Psi, Sigma Alpha Epsilon, Lambda Chi Alpha, and Kappa Delta Rho.

Sigma Beta Chi

With the purpose of creating and fostering a professional attitude toward the science of chemistry and its wide-spread industrial field, Sigma Beta Chi was founded on October 14, 1927. Meetings are held twice a month with the alternate meeting given entirely to the presentation of scientific papers, reports, and short talks, delivered by various members, on divers aspects of the chemical field. In this manner, individual research into the literature of chemistry and the chemical industry is carried out, with the result that the members gain a more profound professional view-point toward the chemical science.

Lois has the most lovely "come hither" look, and she manipulates both eyes with equal dexterity. She would make a good Sunday school pianist or church organist for some nice young ministerial, that is if she is not already taken (?)

*Mu Phi Epsilon; A. B. Course; Glee Club (3, 4),
Special Chorus (3, 4); Symphony Orchestra (4); Piano.*

Esther is always ready to lend her talents to any wandering singer in need of "musical backing", and even though she has red hair and freckles, she possesses that invaluable gift of finding an approach to the hearts of everyone.

Acknowledgment

OUR sincere thanks are due Professor and Mrs. L. E. Theiss and Professor M. L. Drum, whose wise counsel and cheerful assistance have been of untold value. Especially are we indebted to Mr. Grant Painter of The Williamsport Printing and Binding Company, for his competent and efficient service and for his splendid co-operation, and to Mr. Scheirer of Gilbert and Bacon, for his fine photography. To all those others who have aided in preparing our book for its initial bow to Bucknellians we express our heartfelt gratitude.

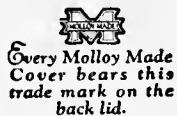

Now that our editorial labors are completed, it is with the fond hope that it will afford an ever valuable source of information and pleasure to its readers that we present

Printers Of
L'Agenda
OF BUCKNELL UNIVERSITY

IT is a source of true pride to this organization that for four consecutive years we have been the printers of L'Agenda. In the planning and preparation of these books it has been our privilege to work in complete understanding with representative men of Bucknell. We are grateful—not alone from the standpoint of business—but for the opportunity of these associations. For us our products speak louder than words. We are proud to let L'Agendas of 1926, 1927, 1928 and 1929 be our spokesmen.

Alma Mater

*Dear Bucknell, oft of thee we're thinking,
And memories fond come trooping by;
The tireless stars may cease their blinking,
But thoughts of thee shall never die;
And though the years steal swiftly o'er us,
And winter comes with biting sting,
Our hearts with youth's undaunted chorus,
Shall e'er with praise of Bucknell ring.*

*We burn the incense of affection,
As in thy sacred fanes we meet,
While down the aisles of recollection,
Come thronging forms we love to greet;
And though life's bitter storms sweep o'er us,
And pleasure bides on fleeting wing,
Our hearts shall blend in loving chorus,
While Alma Mater's praise we sing.*

*To thee we swear our proud allegiance,
Thy loyal sons are we, and true,
Nor time, nor tide, nor fortune's pageants
Shall daunt the Orange and the Blue;
Then with thy glory e'er before us,
Our loving tribute we will bring,
And once again in hearty chorus,
Thy praise, dear Bucknell, we will sing.*

SAMUEL SEARS MERRIMAN, '86.
